Poll Results

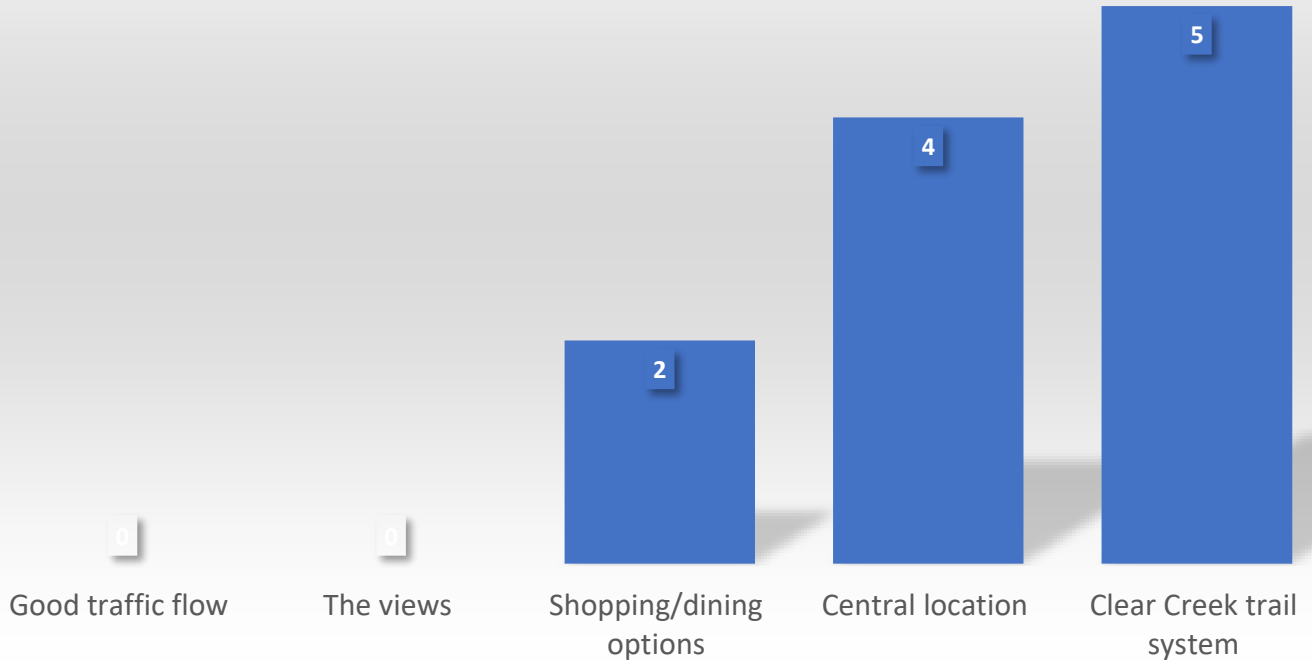

October 19, 6 pm Silverdale Regional Center Meeting

Approximately 15 participants answered a series of questions during our Silverdale Regional Center meeting, held via Zoom. Respondents could choose from a limited number of options and no questions were open-ended. Not all participants chose to answer every question. Data values, not percentages, are labeled in results below.

Participants did not live or work in Silverdale, rather, they visit or spend time in Silverdale running errands, shopping, dining, and/or recreating. The majority of participants identified the Clear Creek trail system as the region’s most attractive quality and housing affordability as its most pressing issue.
