

June 11, 2020

Greetings,

Please find attached [Emergency Administrative Order 2020-23: Re: Courthouse & Courtroom Facial Coverings](#).

This Order is effective Monday, June 15th.

Please understand that this Order does not impact, in any way, previously disseminated orders and policies regarding conducting hearings remotely via Zoom.

We ask your continued cooperation in spreading the word about appearing by Zoom. There are cases (such as sentencing hearings) where a number of people may want to address the court on behalf of a defendant or victim. If you know in advance this is the case, please provide the Zoom log-in information so they can appear remotely. With social distancing we have very limited courtroom seating. It is incumbent we all work together to ensure we keep foot traffic down in the Courthouse when possible. Many thanks!
