KITSAP COUNTY LONG LAKE AQUATIC NOXIOUS WEED TREATMENT REQUEST

Response Deadline: April 12, 2024 @ 2:00 PM

Kitsap County (the County), by and through the Department of Community Development, is seeking a qualified contractor(s) to assist in the control and/or eradication of certain aquatic invasive plant species present in Long Lake in south Kitsap. Assistance is being specifically sought for the chemical treatment of Brazilian Elodea and Fragrant Waterlily, as well as the manual removal of Curly Leaf Pondweed. The County may, at its discretion, decide to hire directly from the list of qualified applicants generated by this RFP for all or portions of the tasks listed.
