F. Public Hearing: Public Works Dept. of Ecology Permit Required Update – Source Control Best Management Practices (BMPs) for Existing Businesses – Sarah Olson, Public Works (PW) Stormwater (SW) Program Analyst (approx. 1 hr)

- 1 • Ms. Olson provides a brief overview of the project, noting the Department of
2 Ecology requires adoption of this proposed ordinance and actions as part of
3 the National Pollutant Discharge Elimination System (NPDES) permit the
4 County is required to maintain for management and control of stormwater and
5 surface water discharge; also reviewing definitions, examples, proposed
6 language, other municipalities with similar ordinances currently in place,
7 comment formats and timeline, including the public comment period, which
8 closes on 5/6/2022.
- 9 • Chair Phillips reviews procedure and guidelines for the Public Hearing
- 10 • **Chair Phillips opens the floor** to speakers wishing to provide testimony on this
11 item; noting each speaker is limited to 3 minutes.

12 **5:46 pm**

- 13 • **SPEAKER: Bill Palmer, Kitsap Alliance of Property Owners (KAPO) President**
 - 14 • Very much opposed to this ordinance and has questions, including:
15 what happens to a business that decides not to comply; also who
16 determined County Staff as the professionals in this matter, which he
17 takes exception to; also concerned that the Board of County
18 Commissioners (BoCC) is not aware of this program or that an
19 ordinance has to be adopted by August 1, a statement based on input
20 from the Kitsap Homebuilders' Association during a meeting with the
21 BoCC in which they did not appear to know anything about it.
22 Believes this is totally insane, cannot believe the Planning
23 Commission is receiving testimony on this, as it wasn't supposed to
24 be on the schedule for another month, but notes he may be
25 uninformed.
- 26 • **Chair Phillips** calls for any other speakers; as there are no other speakers,
27 **closes the floor to general speakers.**
- 28 • Chair Phillips notes comments will still be accepted up through 5/6/22, through
29 the form provided through Public Works.

30 **5:49 pm**

31 **G. General Public Comment**

- 32 • **Chair Phillips opens the floor** to speakers wishing to provide testimony.
- 33 • **SPEAKER: Kelly Roberts, Kitsap County Property Owner and Constituent**
 - 34 • Comments regarding Kitsap County Code regarding Outdoor Lighting
35 (17.382.030) and Obnoxious Things (17.105.110).
- 36 • **Chair Phillips** calls again for speakers; as there are no other speakers, **closes**
37 **the floor to general speakers.**
