Notes:

Total Funding Recommendations are made up of both Affordable Housing Grant funds and Homeless Housing Grant funds. In the 2020 NOFA agencies were able to request both types of funds for different purposes in a single application. Both funding sources will be included in a single contract for each program, but will be tracked separately.

The minimum grant award amount is \$10,000; there is no maximum award amount.

These funding recommendations are for two years of funding at the indicated amount. Contracts will be for a single year of funding, with a second year of funding at the same level through a renewal process and contract extension, unless there are any contract performance issues. Any changes in the amount of funds available for 2021 will be addressed through the contingencies.

Contingencies:

Any additional funds available will be evenly distributed in the following way: first Coffee Oasis, North Kitsap Fishline, and Olive Crest will split funding up to their full request for each program; if there are remaining funds then Agape - Sisyphus & Koinonia, Catholic Housing Services Max Hale, Housing Resources Bainbridge - Permanent Supportive Housing, and Housing Resources Bainbridge - Housing Stabilization will split funding up to their full request for each program; if there are remaining funds then Housing Kitsap, West Sound Treatment Center, and YWCA will split the amount up to their full requests.

Any decrease in funding available will be evenly distributed between the following nine programs: Agape - Sisyphus, Agape - Koinonia, Catholic Housing Services, Housing Kitsap, Housing Resources Bainbridge - Housing Stabilization, Housing Resources Bainbridge - Permanent Supportive Housing, Kitsap Homes of Compassion, West Sound Treatment Center, and YWCA.
