

Dementia Resources Social Work Consultation

Available for individuals and/or their caregivers
Sponsored by Kitsap County Aging and Long Term Care

Service Description: Consultations are **free** and intended to be a brief, one-time service to learn about options for maintaining independence at home, such as:

- Existing community resources
- Reducing caregiver stress
- General education
- Long term care options & planning
- Disease progression
- Online and phone-based resources

Consultation Locations: Options are based on your preference and the schedules and health and safety of yourself and the social worker.

- In your home
- Over the phone
- Virtual on the internet, via Zoom link sent in email
- Public location (coffee shop, senior center, etc.)

Group Presentations: Community education presentations are also available upon request. Example presentation topics include:

- The dementia spectrum
- Community resources
- Caregiver support
- Legal planning (general information)
