4. <b>10 YEAR UPDATE – PREFERRED PLAN DELIBERATIONS</b> (Eric Baker)	10:25-12:00

Eric Baker gave a brief overview of the process of the 10 Year Update and the timeline for the rest of the year.

Commissioner Endresen – move to approve the 10 Year Update using Alternative Two, as recommended by the Planning Commission and by making associated amendments, seconded by Commissioner Lent. Motion to stay open until the end of deliberations.

Commissioner Angel – move to approve the minimum density for urban low and urban cluster zoning classifications with a reduction of minimum density from 5 to 4 dwelling units per acre. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve the mixed use density range at 10-30 dwelling units per acre. Motion seconded by Commissioner Angel. Motion carries unanimously.

Commissioner Endresen – move to approve population banking, banking approximately 2000 people for the Central Kitsap, East Bremerton and West Bremerton Urban Growth Areas for discussion with the City of Bremerton through an urban growth area management agreement process in 2007-2008. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to table item removing commercial zoning from various areas until November 6, 2006. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve the Kingston Urban Growth Area as sized in Alternative Two, and recommended by the Planning Commission. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve the Poulsbo Urban Growth Area, Alternative 2, as recommended by the Planning Commission. Motion seconded by Commissioner Lent. Motion carries unanimously. (Note: Motion revisited on November 6, 2006).

Commissioner Lent – move to approve the Silverdale Urban Growth Area, Alternative Two with three changes, 1) change from urban low to industrial for a property located off Dickey Road surrounded on three sides by industrial, 2) conversion of properties located along Anderson Hill Road between Silverdale Loop and Bucklin Hill Road from Neighborhood Commercial to Mixed Use, 3) property located east of Schold Farm returned from Urban Low to Urban Restricted. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Lent – move to approve the Barker Creek Corridor from Urban Restricted, returning the area to Rural Residential to create an urban separator between the Central Kitsap and the Silverdale Urban Growth Areas. The rural corridor would be removed from both the Silverdale and the Central Kitsap Urban Growth Areas. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Lent – move to approve the Central Kitsap Urban Growth Area, Alternative Two with five amendments and include: 1) remove the Royal Valley Site Specific as well as Minder Farm from the Urban Growth Area as Urban Restricted, returning these properties to Rural Residential, 2) return certain property along the Highway 303 corridor from Mixed Use to Highway Tourist Commercial, 3) convert properties on the corner of Sylvan Way and Perry Avenue from Mixed Use to Urban Restricted, 4), rezone Rolling Hills Golf Course area from Urban Low to Urban Restricted, 5) rezone the Sunset Avenue area from Urban Low to Urban Restricted. The corner of Highway 303 and McWilliams Road will remain Mixed Use and the Fir Drive area will remain Urban Low residential zoning classifications. Motion seconded by Commissioner Endresen. Motion carries unanimously. (Note: Motion regarding Fir Drive and Rolling Hills Golf Course revisited on November 6, 2006).

Commissioner Endresen – move to deny the Royal Valley Site Specific. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Lent – move to approve the East Bremerton Urban Growth Area, Alternative Two, as recommended by the Planning Commission. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Angel – move to approve the West Bremerton Urban Growth Area, Alternative Two, as recommended by the Planning Commission. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Angel – move to approve the Gorst Urban Growth Area, Alternative Two, as recommended by the Planning Commission. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Endresen – move to table the South Kitsap Industrial Area Urban Growth Area until Monday, November 6, 2006. Motion seconded by Commissioner Angel. Motion carries unanimously.

Commissioner Endresen – move to table the Great Western Sports/Overton reclassification request until Monday, November 6, 2006. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Angel – move to approve the McCormick Woods/ULID6 Urban Growth Area, Alternative Two, as recommended by the Planning Commission. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Angel – move to table the Port Orchard/South Kitsap Urban Growth Area until November 6, 2006. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Angel – move to table the Rural Wooded Incentive Program until November 6, 2006. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve the Transfer Development Rights program as proposed in Volume III with four amendments: 1) remove the requirement Transfer Development Rights for height increases, 2) allow rural property owners who have sold their development rights to purchase them back from another rural property owner, and 3) any Urban Growth Area transfers done through the Sub-Area or Comprehensive Planning would get their development rights back at the time they are included in the Urban Growth Area and 4) through the Comprehensive Plan Amendment docketing resolution a determination would be made if rezone applicants would be required to purchase transfer development rights. Motion seconded by Commissioner Lent. Motion Carries. Commissioner Angel votes no.

Commissioner Endresen– move to approve the Lindsey proposed code revisions of Urban Restricted density, 1-5 dwelling units/acre, with density being calculated on net acreage and minus critical areas. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to delete Planning Commission recommendation “or damaged” from the Growth Management Act (GMA) Goal Private Property shall not be taken for public use without just compensation having been made. This sentence is located in Volume I: Chapter 1. Introduction. Motion seconded by Commissioner Lent. Motion carries. Commissioner Angel votes no.

Commissioner Endresen – move to accept the Planning Commissions revisions to Volume I: Chapter 2, LU-5 to read: Monitor and review land capacity and development trends within Urban Growth Areas annually. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to accept the Planning Commission revisions to Volume I: Chapter 2, Section 2.2.3 Reasonable Measures, bullet #10 with sentence to read: Increase building height limits through incentives. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to accept the Planning Commission revisions to Volume I: Chapter 2, Section 2.2.7 Urban Commercial Lands, Highway Tourist Commercial zone to read: This zone is applied to areas needed for commercial uses to serve the traveling public, including along major traffic corridors in urban areas and at highway interchanges, and for commercial establishments requiring large sites. Residential units are allowed. (10-30 du/ac). Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Lent – move to accept the Planning Commissions recommendation to delete Volume I: Chapter 2. Land Use, Policy LU-74. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Endresen – move to accept the Planning Commissions recommendation to modify language in Volume I: Chapter 2, Section 2.2.8 Urban Industrial and Business Lands, Business Center zone to read: This zone provides for integrated grouping of light industrial uses including but not limited to bio-tech, 4-year educational institutions, light manufacturing, hi-tech, warehousing, equipment and vehicle repair, and compatible commercial and office uses that primarily serve their needs. Integrated groupings of small to medium-sized business within an attractive, park-like setting are encouraged. This zone allows for flexibility in the amount of space within each individual business dedicated to office use, warehousing n/or light manufacturing operations. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Lent – move to table decision in Volume I: Chapter 2. Land Use, LU-105 to November 6, 2006. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Lent – move to approve the Planning Commissions recommendations for Volume I: Chapter 2. Land Use Policies LU-134, LU-137 (e), LU-139 and LU-141 with the words “and roads” inserted in each policy in the appropriate place. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Endresen – move to table decision on Volume I: Chapter 2. Land Use Policy LU-163 to November 6, 2006. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve deleting Volume I: Chapter 2. Land Use Section 2.2.12 as recommended by the Planning Commission. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen- move to approve rewording of Volume I: Chapter 4. Natural Systems Policy NS-3 to read: Where information about extensive fill areas is known, depict fill areas as areas of geologic hazard. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve deleting Volume I: Chapter 4. Natural Systems Policies NS-14, NS-16 and NS-19 as recommended by the Planning Commission. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve deleting Volume I: Chapter 4. Natural Systems Goal 4, Policy NS-20, NS-22, NS-23, NS-24, NS-25 and NS-27 as recommended by the Planning Commission. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve deleting Volume I: Chapter 4. Natural Systems Goal 5, NS-28, Goal 10, NS-45 and NS-47 as recommended by the Planning Commission. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve rewording of Volume I: Chapter 4. Natural Systems Policy NS-48 to read: Identify and protect habitat conservation areas throughout Kitsap County where appropriate. Motion seconded by Commissioner Lent. Motion carries.

Commissioner Lent – move to approve deleting Volume I: Chapter 4. Natural Systems Policy NS-51 as recommended by the Planning Commission. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Endresen – move to approve deleting Volume I: Chapter 4. Natural Systems Policies NS-58 and NS-59 as recommended by the Planning Commission. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve the additions of two policies after ED-12 in Volume I: Chapter 5. Economic Development to read: 1) Kitsap County will encourage business and industry incubation by offering special incentives to encourage participation in the countywide Kitsap Economic Development Council Business Incubation System. Potential incentives may include adjusted fees, tax abatement and referral, special development considerations, business incubator facility and financing. 2) Kitsap County will allocate funding for long-term economic development. Kitsap County recommends a cooperative partnership between the County, cities, tribes, port and local districts, the Kitsap Economic Development Council, and the private sector, to share in costs relating to industrial and commercial recruitment. Kitsap County recommends that each agency increase and prioritize its recruitment activities. Examples of priority activities are marketing studies and materials, promotion and staffing for implementation activities. Motion seconded by Commissioner Angel. Motion carries unanimously.

Commissioner Endresen – move to approve the addition of a policy after ED-12, as recommended by the Planning Commission in Volume I: Chapter 5. Economic Development to read: Kitsap County will make a commitment to diversifying its economic base by striving to increase employment in primary jobs. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve the addition of a policy to Volume I: Chapter 5. Economic Development following Goal 6 to read: “Cooperate with the Port of Bremerton in developing investment strategies for the Bremerton National Airport to support and enhance its role as a general aviation and industrial commercial facility consistent with the Airport Master Plan and to facilitate planning for capital facilities’ which best use the airport’s remaining undeveloped and underutilized areas”. A new Policy UT-23 will be added to Volume I: Chapter 7. Utilities to read: Encourage broadband infrastructure to be installed in all new residential subdivisions, economic development projects and state highway improvements. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve current language in Volume I: Chapter 9. Shorelines Policy SH-24 as written. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve current language in Volume I: Chapter 9. Shorelines Policy SH- 25 as written. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve deleting policy POS-23 from Volume I: Chapter 10. Parks, Recreation & Open Space, and deleting policy CF-32 from Chapter 11. Capital Facilities, as recommended by the Planning Commission. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Lent – move to approve the changes to Volume I: Chapter 14. Silverdale Sub-Area Plan as follows: policy Sil-23 to read: Establish design districts that reflect the varied and discrete character of different areas of the downtown core. Policy Sil-24 to read: Establish design guidelines that promote the future vision for downtown Silverdale. Figure 14.3. Silverdale Downtown Design Districts will be deleted as recommended by the Planning Commission. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Endresen – move to approve deleting Volume I: Chapter 15. Urban Sub-Area Plan, SKIA Sub-Area Plan, policies SKIA-12 and SKIA-13. A new policy will be added stating: The Port of Bremerton shall grant Kitsap County full State Environmental Policy Act (SEPA) authority for all actions requiring County permits or processes. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Angel – move to approve the addition of two policies to Volume I: Chapter 15. Urban Sub-Area Plans: SKIA Sub-Area Plan to read: 1) Encourage the Washington State Department of Transportation to continuously consider capacity and congestion-relief improvements along the SR3 and SR16 corridors, both of which serve SKIA. 2) Encourage the Washington State Department of Transportation to undertake a comprehensive corridor study of SR3 from SR101/SR102 in Mason County to SR16 at Gorst, and from SR16 from Pierce County to SR310 in Bremerton; as recommended by the Planning Commission. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve to add footnotes to Volume III: Chapter 2. Land Use Regulations 1) Kitsap County Code section (KCC) 17.200.010 to clarify what zoning classifications implement the Rural Commercial and Industrial designations/zones, 2) KCC 17.381.040 to clarify Rural Commercial properties are allowed uses of their urban commercial counterparts – with the exception of the new residential density ranges and 3) KCC 17.381.040.B to clarify that Rural Industrial and Business Park properties with these zoning classifications are allowed uses of their urban counterparts. These footnotes are recommended by the Planning Commission. Motion seconded by Commissioner Angel. Motion carries unanimously.

Commissioner Endresen – move to approve removal reference of Footnote #1 from Volume III: Chapter 2. Land Use Regulations KCC 17.381.040.B as recommended by the Planning Commission. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Lent – move to approve changes, as recommended by the Planning Commission, to Volume III: Chapter 2. Land Use Regulations 17.355.010.B to read: Highway/Tourist Commercial (HTC). These centers are intended to provide for those commercial establishments which require larger sites. This zone serves the shopping and service needs for large sections and accommodations for both destination and en route travelers. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Angel – move to approve the modifications to Volume III: Chapter 2. Land Use Regulations 17.352.020.B.1 to read: Uses allowed in the Highway Tourist Commercial (HTC) zone but prohibited in the Mixed Use zone may be allowed on MU zoned properties, provided: 1. The sites are located along State Highway 303 or Bethel Road; and Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Lent – move to approve modifications to Volume III: Chapter 2. Land Use Regulations 21.04.040.F to read: Within 21 days after the date of a preapplication meeting, the review authority shall mail to the applicant and to other interested parties a written summary of the preapplication review. Such information will be based upon the level of detail submitted by the applicant with the preapplication request. The preapplication summary shall include a description of the project, all required fees for development permits and project issues regarding critical areas, stormwater, public facilities, roadways and other development limitations. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Endresen – move to approve modifications to Volume III: Chapter 3. Density, Dimensions & Design 17.382.110.A.3 to read: b) The intent of the short subdivision or subdivision is to keep the property in the ownership of family members. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Angel – move to approve the original language in Volume III: Chapter 3. Density, Dimensions & Design 17.382.110.A.23 to read: The minimum setback shall be 75 feet for any yard abutting a residential zone, unless berming and landscaping approved by the director is provided based upon a site-specific determination that it will effectively screen and buffer the business park activities from the residential zone that it abuts; in which case the minimum site setback may be reduced to less than 75 feet but no less than 25. In all other cases, minimum site setback shall be 20 feet. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve the original language in Volume III: Chapter 3. Density, Dimensions & Design 17.382.110.A.27 to read: Whenever an industrial zone abuts a residential zone, a fifty foot landscaped setback shall be provided with plantings, as approved by the director. No structures, open storage, or parking shall be allowed. The plan for landscaping may be approved only if the landscaping is designed to preserve the quality of the residential zone. The minimum lot setback shall be 50 feet for any yard abutting a residential zone unless, based upon a site-specific determination, berming and landscaping or other screening approved by the director is provided, which will effectively screen and buffer the industrial activities from the residential zone which it abuts, in which case the minimum setback may be 25 feet. These setbacks are the minimum setbacks required and may be increase by the director to ensure adequate buffering and compatibility. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve Volume III: Chapter 6. Transfer of Development Right, with amendments , 1) remove the requirement Transfer Development Rights for height increases, 2) allow rural property owners who have sold their development rights to purchase them back from another rural property owner, and 3) any Urban Growth Area transfers done through the Sub-Area or Comprehensive Planning would get their development rights back at the time they are included in the Urban Growth Area and 4) through the Comprehensive Plan Amendment docketing resolution a determination would be made if rezone applicants would be required to purchase transfer development rights. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to include all of the Planning Commission's 20-Year Transportation Funding Options, and insert table in the Final Environmental Impact Statement, and removing the Planning Commission recommendation column from the matrix. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve the modification of the lead in statement to GMA goals in Volume I, Chapter 1, Introduction, Section 1.3.1 to read: The GMA established 13 goals for the comprehensive planning process. Per RCW 36.70A.020, the following goals are not listed in order of priority and shall be used exclusively for the purpose of guiding the development of comprehensive plans and development regulations. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve the modification of the lead in bullets on Countywide Planning Policy topics in Volume I, Chapter 1, Introduction, Section 1.3.2 as follows: The Countywide Planning Policies address thirteen elements, and topics addressed include, but are not limited to: Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve inserting language to Volume I, Chapter 1, Introduction, Section 1.5.1, paragraph three to read: These documents act only as a programmatic EIS. Future projects with significant impacts will be required to submit additional project-level EISs based upon the specific impacts of their proposals. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Angel – move to approve modifications to Volume I, Chapter 2, Land Use, Section 2.2.4, the first sentence to read: According to the Growth Management Act goals growth is to be encouraged in urban areas, and the Countywide Planning Policies allocates most growth within Urban Growth Areas. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Endresen – move to approve deleting language from Volume I, Chapter 2, Land Use, policy LU-26 to read: Address the issues related to the association of unincorporated UGAs with the corresponding incorporated cities by the end of 2008, consistent with the CPPs. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve adding a new policy to Volume I, Chapter 2, Land Use, policy LU-28.5 to read: Include UGAMA negotiations for the East Bremerton, West Bremerton and Central Kitsap UGA as a work plan item for the 2007-2008 budget period, dedicating staff time to their resolution. Motion seconded by Commissioner Angel. Motion carries unanimously.

Commissioner Endresen – move to approve adding language to Volume I, Chapter 2, Land Use, policy LU-28 the second bullet to read: Confirmation that the city's comprehensive plan should reflect land use and capital facilities planning for the entire UGA. This should include agreement regarding the operation and maintenance of county-owned public facilities such as parks and other community buildings. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Lent - move to approve the deletion of the third sentence from bullet 1 of Volume I, Chapter 2: Land Use, page 2-30 to read: Highway Tourist Commercial zone. This zone is applied to areas needed for commercial uses to serve the traveling public, including along major traffic corridors in urban areas and at highway interchanges, and for commercial establishments requiring large sites. -Residential units are allowed. (10-30 du/ac). Motion was seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Lent – move to approve the deletion of policy LU-63 from Volume I, Chapter 2, Land Use page 2-30. Motion was seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Endresen – move to approve the deletion policy LU-87 of Volume I, Chapter 2, Land Use, page 2-32. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Angel – move to approve the language change in Volume I, Chapter 2, Land Use Policy LU-131, page 2-39 to read: . Promote ongoing communication and coordination strategies with local Tribal governments in an effort to better preserve and enhance cultural resources. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Lent – move to approve the language change from tribes to local tribal governments in Volume I, Chapter 2, Land Use policies LU-122 and LU-127. Motion seconded by Commissioner Endresen. Motion carries unanimously.

Commissioner Endresen – move to approve the language change from tribes to local tribal governments in Volume I, Chapter 2, Land Use policy LU-131. Motion seconded by Commissioner Lent. Motion carries unanimously.

Commissioner Endresen – move to approve the addition of a 5<sup>th</sup> bullet in Volume I, Chapter 3, Rural and Resource Lands, policy R -26 to read: Measures to reduce the impact of noise, odor and traffic to surrounding rural areas. Motion seconded by Commissioner Lent. Motion carries unanimously.

These deliberations have been recessed to November 6, 2006 during the Board of County Commissioners regular public meeting.
