Central Kitsap man assaulted in apparent pre-planned robbery

Silverdale, Wash. -- A 35 year-old Central Kitsap man is recovering from injuries that he received after he was assaulted and robbed, allegedly at gunpoint, while sitting inside of his vehicle with a 22 year-old Poulsbo woman who had agreed to meet him for a date.

The robbery occurred around 7:45 p.m. last night on NW Jessie Mae Lane, a new construction residential street, which runs east – west off of Sesame Street NW, in Central Kitsap west of Silverdale.

According to the victim he had made previous arrangements to meet the woman for a date. The victim stated that while both were seated inside of his vehicle he suddenly heard the sound of breaking glass and both the driver and passenger doors were yanked open. The woman jumped out of the passenger seat followed immediately by two males who entered his vehicle and started beating him, demanding his money, his wallet and a cellular telephone. At some point, according to the victim, one of his assailants produced a handgun. He claimed that the two males pulled him out of his vehicle and beat him to the ground, using the handgun as a club. After removing a stereo out of his vehicle all three persons apparently fled in a blue – silver colored foreign vehicle.

A medic unit from Central Kitsap Fire & Rescue provided initial first aid at the scene and then transported the victim to Harrison Medical Center, Bremerton, for further evaluation and treatment.
