“Voices for Advocacy, Action and Answers on Aging”

The Washington Association of Area Agencies on Aging would like to invite you to a statewide gathering at the Tukwila Community Center in Tukwila, Washington on Thursday, October 29, 2009. This is the day before the Senior Citizens' Lobby Conference, the day when members of Advisory Councils from around Washington will join with lawmakers and other decision makers to address topics and issues of common concern to older adults and adults with disabilities.

The primary purpose of our event is to provide AAA Advisory Council and SCOA members from across the state an opportunity to meet with one another and discuss topics of mutual interest. There will be a table for sharing materials, so please bring sample documents as well as your thoughts on best practices for reaching the communities you serve. The event will run from 10:00 a.m. to 4:00 p.m. A brief description of the day's activities is described in the accompanying flyer.

Please contact Ingrid Henden, 337-7068 or ihenden@co.kitsap.wa.us by Friday, October 9th to register for the day. Registration is free and lunch is provided.

I hope you can join us for this informative event.
