9/2004 Election changed the district to a Metropolitan Park District. The staggering terms at election approval were: 2 commissioners with the highest vote equals a 5 year term, next 2 highest are 3 year terms and the last person is a 1 year term. After the start up term each position is a 6 year term. Therefore, in 2005 Position 1 and 3 were 3 year terms, Position 2 and 4 were 5 year terms and Position 5 was a one year term.
