History: In April 1997, Water Districts 4 and 16 merged. With three commissioner positions authorized, at each odd year election one position was elected. In the 1999 and 2001 elections, the district pared back to 3 commissioners. The process included positions 3 and 5 were up for election in 1991 and only one person was elected. In 2001, positions 2 and 4 resulted in only one person elected.
