II. UP FOR DISCUSSION

2012 Congressional High School Art Contest - Gayle spoke on the 2011 Congressional High School Art Contest "An Artistic Discovery" in which she attended the event which was located at Congressman Dicks' office in Tacoma on Thursday, April 14th. This event is nationwide annual art competition that allows high school students from across the United States to showcase their artistic ability. Winning works from each Congressional district will be displayed for eleven months in the pedestrian tunnel that leads to the U.S. Capitol. The runner up was a South Kitsap High School Senior. Gayle would like to see the Arts Board participate in the 2012 Congressional High School Art Competition. More information on the ninth annual "Congressional High School Art Competition" will be made available in 2012.

Potential Spaces for Artwork - The members discussed possible places to install more artwork. One possible location would be the Kitsap Mall. Look at folding screens similar to those used in the libraries or the display board at the Norm Dicks Government Center.

Student Photographs – The Artist Statement should be placed in a wood frame similar to the 13 photographs and placed below matching wood molding which separates the photographs and the statement. The molding should be an inch to inch and ¼.
