Silverdale Waterfront Park

The Kitsap County Board of Commissioners approved a long term ground lease and operating agreement with the Pierce-Kitsap County YMCA for Phase 1 of the Silverdale Community Campus at their May 4th's meeting. The 50,000 square foot YMCA is desired to serve 15,000 members.

Per the operating agreement with Kitsap County, the YMCA has committed to investing at least 10% of facility revenues to support families and individuals with limited means. In addition, every Friday night the YMCA will be open free of charge to teens interested in using the facility.

For more information about the project please contact Jessie Palmer (253) 905-0647 or jpalmers@ymcatacoma.org.
