

# KITSAP COUNTY

Washington

## Critical Aquifer Recharge Areas

Category I critical aquifer recharge areas are those areas where the potential for certain land use activities to adversely affect groundwater is high.

Category II critical aquifer recharge areas are areas that provide recharge effects to aquifers that are current or potentially will become potable water supplies and are vulnerable to contamination based on the type of land use activity.

JEFFERSON COUNTY

MASON COUNTY

- Category One
- Category Two
- State HWY/Route
- Principal Arterial
- Fed Indian Reservations
- Incorporated Cities
