

# KEYPORT COMMUNITY PLAN: WASHINGTON AVE. KEY PROJECTS

## NAVAL UNDERSEA MUSEUM PEDESTRIAN GATE PROJECT

**Naval Undersea Museum Pedestrian Gate** is a possible Keyport Community Plan Project that could include coordination with the Keyport Naval Undersea Museum for enhanced pedestrian access from Washington Avenue to the Museum. The museum is a regional destination that the entire Keyport Community would benefit from increased access. Improvements could include:

- Museum Signage along Washington Ave. and at Port.
- Significant Gateway or Entry.
- Enhanced Pedestrian Improvements to Museum Entry.
- Landscaping or Street Trees.

## KEYPORT SATURDAY STREET FAIR PROJECT

**Keyport Saturday Street Fair / Farmers Market** is a possible Keyport Community Plan Project that could include coordination with local farmers (Scandia, Central Valley, etc.), local performers, and artisans to provide a Saturday event similar to the Poulsbo Farmers Market or other community events around Kitsap County. Project elements could include:

- Designated Areas for Booths.
- Local Music or Community Theater Programs.
- Coordination with Museum Events.
- Economic Opportunity Event to Showcase Keyport.

## KEYPORT VILLAGE SQUARE PROJECT

**Keyport Village Square** is a possible Keyport Community Plan Project that could include enhancement of the intersection of Washington Avenue and Washington State Highway 308 as the Social, Economic, Transportation, and Activity center of the Keyport Community. Improvements could include:

- Raised or Enhanced Paving
- A community Kiosk
- Specialized Lighting
- Enhanced Sidewalks and Pedestrian Improvements.
- Monument, Artwork, or other Community Landmark.
- Landscaping or Street Trees.

## WASHINGTON AVE. PEDESTRIAN IMPROVEMENTS PROJECT

**Washington Avenue Pedestrian Improvements** is a possible Keyport Community Plan Project that could include coordinated enhancement of the pedestrian elements of Washington Avenue from the Naval Undersea Museum to the Port of Keyport Marina. Improvements could include:

- Widened or Specialized Sidewalks (Coloring, Inlays, etc.)
- Specialized Lighting
- Coordinated Street Furniture (Trash, Benches, Signs, etc).
- Landscaping or Street Trees.
- Historic Plaques or Markers

## MARINA IMPROVEMENTS FOR PORT OF KEYPORT PROJECT

**Marina Improvements for the Port of Keyport** is a possible Keyport Community Plan Project that could include enhancement or expansion of the existing Port of Keyport Marina as the main waterfront access point and recreation center of the Keyport Community. Improvements could include:

- Additional Regular Moorage
- Expanded Transient Slips
- Finger Pier / Breakwater for Wake Mitigation.
- Enhanced Pedestrian Access or Picnic Table Shelter.
- Seaplane or Aqua Taxi Space.
- Improved Boat Launch.
