

HANSVILLE FUTURES/GREATER HANSVILLE AREA ADVISORY COUNCIL
Organizational Meeting: December 7, 2006, Driftwood Key Community Center, 7 pm

Representatives of twenty seven neighborhood groups and community organizations were invited to attend an organizational meeting (see attached list) on December 7, 2006 at the Driftwood Key Community Center. All responded to the invitation, and twenty eight attended, representing twenty six groups.

Discussions were held on the advantages of forming a Greater Hansville Area Advisory Council (GHAAC) and whether it would be beneficial to have a formal relationship with Kitsap County. By consensus it was determined that a GHAAC would be useful. Concerns were expressed that a GHAAC should be independent to be effective, yet many views saw advantage to having an official status with the County.

Sue Claeys moved that Steve Bauer and Judy Foritano meet with the County Commissioners and report back to the group. Emma Jean Hemingway seconded the motion and it passed by a voice vote. Steve and Judy will contact Commissioner Chris Endresen and schedule another meeting

Bonnie Isaacs and Becky Ellison were thanked for providing coffee and cookies, and for their organizational assistance.
