Tax Account No. 262702-3-037-2004

Dear Mr. McLaughlin:

This is to inform you that the subject Short Subdivision has been granted **preliminary approval**.

This decision is in compliance with the Kitsap County Code Title 21.04.070 Land Use and Development Procedures. All applicable criteria have been met for Preliminary Short Subdivision in accordance with Kitsap County Code Title 16.48 Short Subdivisions.

The Department has further determined that the subdivision as it is presented in the Preliminary Short Plat, received December 5, 2007 by the Department of Community Development, conforms (or will conform, subject to the conditions outlined in this letter) to the following:

1. Zoning, Title 17, Kitsap County Code;
 2. Storm Water Drainage, Title 12, Kitsap County Code;
 3. Kitsap County Comprehensive Plan and subarea plans;
 4. Kitsap County Critical Areas Ordinance;
- and all other elements of the Kitsap County Code that pertain to this subdivision.

Approval is subject to the following conditions:

LAND USE

1. Adhere to all elements and requirements set forth in Kitsap County Code 16.48.
2. The following condition shall be added to the face of the Final Short Plat: Building permits issued on a lot in this Short Subdivision may be subject to impact fees pursuant to Kitsap County Code.

SURVEY

3. At the time of submittal of the Final Short Subdivision, a title certificate, current to within 30 days, is required. Please note or delineate all pertinent special exception items in schedule "B" of the title certificate.
4. A legal description that correctly represents the property being subdivided shall be provided on the face of the Short Plat map.

5. Condition of Approval #4, as shown on the Preliminary Short Plat map, shall be revised to reference Lot B, rather than Lot A.

FIRE MARSHAL

6. The following condition shall be placed on the face of the Final Short Plat: Fire flow of 500 gpm @ 20 psi for a minimum of 30 minutes is required for residential structures. A letter from the water purveyor indicating fire flow is required prior to the approval of any building permits.

Preliminary approval of this Short Subdivision will automatically expire five (5) years from the date of this letter. However, upon written request to the Department of Community Development by the original applicant and the current owner(s) of the subject property, at least thirty (30) days prior to expiration, a six (6) month extension could be granted.

Preparation of the final Short Subdivision shall be done in accordance with Kitsap County Code 16.48. All applicable conditions of preliminary approval must be addressed prior to submitting the Final Short Subdivision application. Submittals that do not address all comments will be considered incomplete and returned without review. All of the above relevant conditions must appear on the final short plat. Any/all building setbacks and buffers established as conditions of approval must also be delineated on the final short plat.
