

# West Kitsap Hood Canal Nearshore Assessment OPEN HOUSE

This summer, Kitsap County is conducting an assessment of the 66 miles of Kitsap's Hood Canal shoreline.

Researchers will be walking the shoreline at low tide using GPS units to collect data on both natural and man-made features.

Informational open houses will provide further details regarding this summer's assessment. Other Hood Canal related agencies will also be present to answer any questions and provide information.

Questions? Please contact  
Kathlene Barnhart @ (360)337-4601  
or kbarnhar@co.kitsap.wa.us

**Tuesday, JUNE 24, 4-7pm**  
**Driftwood Key Club House**  
37583 Vista Key Dr. NE (near Hansville)

**Wednesday, JULY 16, 4-7pm**
