Dear Friend,

The Kitsap County Board of Commissioners is proud to introduce the Kitsap County Parks Gift Catalog. It's our invitation to you to join with us to help make a difference!

We appreciate the generous contributions Kitsap County residents have made to our Parks program in the past. Our new "*Dream to Reality*" program was created in celebration of this partnership, to make it easier for you to share a gift with your community that will be enjoyed today and for many generations to come.

Glance through the gift catalog and you will see it contains a wish list of items needed for Kitsap County Parks and Recreation Programs. Many of these items are perfect gifts to give in honor of birthdays, anniversaries, memorials, or just because you care.

We hope you will join with us now to make the Dream a Reality! Your contribution will have a lasting impact on the continued growth and progress of our community parks and recreation programs.

Thank you for your support.

Sincerely,

A handwritten signature in cursive script that reads "Chris Endresen".

Chris Endresen, Chair
Kitsap County Board of Commissioners
