Presents

The Homestretch

Thursday, March 26, 6:30 p.m.

Three homeless teens in Chicago struggle to stay in school, graduate, and build a future.

Each of these resilient, inspiring teenagers will surprise and challenge you to rethink stereotypes of homelessness as they work to complete their education while facing the trauma of being alone and abandoned at an early age.

A powerful perspective of what it means to be young, homeless, and building a future.
