

Wave Broadband — Cable TV franchise renewal

Kitsap County is in the process of reviewing and renewing the Cable TV Franchise with Wave Broadband. Cable Franchises are essentially a contract between the County and the cable provider. Franchise agreements are required to go through an Ordinance process, ensuring the public has an opportunity to comment of the service and/or provider.

During the December 7, 2009 Monday evening Commissioners Public Meeting, you are invited to offer comments to the Commissioners on this pending Ordinance. The actual Ordinance Public Hearing is scheduled for January 11, 2010. We would appreciate receiving public comments at the December 7th meeting to ensure ample time to address any concerns.
