"ASPHALT COST PRICE ADJUSTMENT

Kitsap County will make an Asphalt Cost Price Adjustment, either a credit or a payment, for qualifying changes in the index cost of asphalt binder. The adjustment will be applied to partial payments made for the HMA products included in this bid document.

The adjustment is not a guarantee of full compensation for changes in the cost of asphalt binder. Kitsap County does not guarantee that asphalt binder will be available at the index cost.

Kitsap County will use the Asphalt Binder Reference Cost established by WSDOT and posted on the WSDOT website at <http://www.wsdot.wa.gov/biz/construction/>. The reference cost will be determined using posted prices furnished by Poten & Partners, Inc. Adjustments will be based on the most current reference cost for Western Washington. If the selected price source ceases to be available for any reason, then Kitsap County will select a substitute price source to establish the reference cost.

The base cost established for this contract is the reference cost posted on the WSDOT website for the period immediately preceding the bid opening date."

Insert:

In the event of a 5% asphalt binder cost increase/decrease Kitsap County Department of Public works will negotiate a cost per ton increase/decrease with the successful bidder(s). The adjusted price will be based on the actual cost of the binder on the date of the bid opening. Supplier verification will be required by either party.

There are no other changes to the original specifications other than what is noted above. Acknowledgement of receipt of this and all ADDENDUM is required.
