Free Basic Compost Class

There are two classes to choose from. Pick the one near you:

- **Thursday, September 29, 2005**
6 p.m. – 8 p.m., Eagle's Nest at the Fairgrounds or,
- **Thursday, October 6, 2005**
6 p.m. – 8 p.m., Orchard Heights Elementary in Port Orchard

Master Composters will host a compost class in Silverdale on September 29 at the Eagle's Nest. For those in the south end, the class will be held at Orchard Heights Elementary School in Port Orchard. Both classes begin at 6 p.m. and end at 8 p.m. Plan to attend and learn easy and practical ways to turn yard trimmings and kitchen scraps into a rich soil amendment. In addition to basic composting techniques, natural lawn care and worm bins will be discussed.

Both classes will provide special activities for children K-6. Activities include a composting video, coloring, and making a mini worm bin to take home.

There is no charge for the course, but space is limited. Participants should register by calling The Open Line at 360-337-5777.
