APPROVAL OF THE AGENDA

The agenda was approved.

APPROVAL OF MINUTES

The minutes were approved as written.

CORRESPONDENCE

There was no correspondence to report.

URS Corporation – Tamara Gordy – CSWMCP- HHW

- Program elements include:
 - Education
 - Collection and reuse or exchange
 - Proper management and enforcement
 - Evaluation
- Are we spending a reasonable amount per person to run the HHW collection program as is?
- Decision to be made on a new facility:
 - Satellite? Mobile? Permanent?
 - Should we increase capabilities at the other facilities?
 - Do we want to continue operating as we are?
- A statewide goal for collection of used oil is 80%.
- More information is needed on volumes generated by private companies.
- Kitsap County’s number of households participating is close to the state’s average.
- The state does not require businesses to register as SQGs but does have a list developing that the LSC employees will be helping with.

Deleted: was

ROUND TABLE DISCUSSION

Commercial - Becky Asencio – No updates to report.

City of Bainbridge Island – Dave McCoy – No updates to report.

City of Port Orchard –Stephanie Bailey – No updates to report.

Bainbridge Disposal – Heather & Dean Church, Dave Stanley

- There were 5,040 carts delivered and the single stream curbside program will begin April 7.
- Bainbridge Disposal will participate in the IslandWood School and the Town and Country Earth Day events.
- Woodward School will have a group of students picking up litter.
- Dave Stanley volunteered to have a representative work with Vicki at IslandWood School during the Earth Day event.

Deleted: tofers

KCHD - Jan Brower - No updates to report.

City of Bremerton – Paul Lucas – No updates to report.

KCPWSWD – Pat Campbell

- Two new employees in our Outreach Education program started work Monday.
- The two Local Source Control Program employees hired begin April 7.

Waste Management – Terry Bickel

- Neighborhood cleanup groups have been formed in several areas of the county.
- Three of four school districts have started single stream program in selected schools. SK has plans to produce a video of their recycling efforts.
- Waste Management has a new brochure for the Northwest Region called “Think Green.”
- There is now a hands-on WM exhibit at Disney World for kids.
- The train schedule has improved with the hiring of a new manager.
- The slowdown in the construction business has had some affect on Waste Management’s business.

NK – Kinley Deller

- The EPA-Region 10 has sent out Request for Proposals with grant funds between ten and forty thousand dollars. Local governments are also eligible. Their priorities include; reducing the environmental impact of new construction through green-building techniques, reducing the toxicity of current and future waste streams, and reducing greenhouse gas productions with respect to solid waste management.
- Seattle will present a “Green Festival” April 12-13.
- Stillwaters is having their Earth Day Festival April 19.

KCPWSWD – Vicki Bushnell

- A furniture amnesty event will be at OVTS on April 27.
- A series of backyard composting classes are to begin and will be taught by Bobbi Morgan, of the Natural Landscape Project. There is one in Port Orchard April 12, Silverdale May 17-18, and one in Poulsbo May 25. Further information is available on the Division’s website.

Organics – Cheri Eaton – No updates to report.

City of Poulsbo – Denise Bauman – No updates to report.

Public Comments – No public comments
