Suggestions:

The following suggestions were made in addition to what was printed in the draft document:

Chapter 4 – Organics

II. – Program Strategies

Short Term Actions

- The Plan needs to include all/any possible options

Chapter 5 – Construction and Demolition Debris

I. Construction and Demolition Debris Strategies

Short Term Actions

- Pursue an onsite construction recycling process
- Research possible sources for carpet recycling in state

Long Term Options - Strategies

- Consider a method for recording and/or receipting tonnage and include it as an additional step/fee in the building permit process (last bulleted item)

ROUND TABLE

KCPWSWD – Pat Campbell

- Pat introduced Taisa Welsch with Ecology, the grant officer for the Kitsap area
- The Division has been awarded its eighth consecutive Waste Wise Partner of the Year award and there will be a formal presentation at the BOCC meeting December 8
- Tamara Gordy has been hired as the Transfer Systems Manager and will begin with the Division November 17
- Staff continues planning the implementation of the food waste recycling pilot program at schools to begin in 2009.

Bainbridge Disposal – Dean Church/Dave Stanley – No report.

Central Kitsap – John Poppe

- Karcher Creek is researching methane gas as an alternate energy source

KCPWSWD – Dave Peters

- In the first nine months of 2007, 663 tons of residential recycling was collected. During the first nine months of 2008 there were 885 tons collected, which is a 33% increase since the single stream program began.

Navy – John Lacy

- Les Hastings is the new Operations Manager of Solid Waste with Naval Base Kitsap

Organics – Cheri Eaton – No report
