

**KITSAP COUNTY PLANNING COMMISSION
SUPPLEMENTAL APPLICATION FOR APPOINTMENT**

During 2005, the Planning Commission had 21 meetings in various locations throughout the county.

Is your participation limited in any manner with regards to the number of meetings per month you would be able to attend? _____

Describe your availability to attend day and evening meetings at various locations in the county?

Please describe any volunteer or professional experience, which would be helpful in conducting public hearings, making findings and conclusions from information gathered, and transmitting recommendations.

In your own words please describe the purpose of the Planning Commission and what you feel that you personally can contribute to the Planning Commission _____

Is this an application for reappointment? _____ If yes, how many years have you served on this commission ? _____

I understand the member responsibilities and am aware that this appointment will entail many hours per month of active involvement in Planning Commission meetings and activities.
