MEMORANDUM OF UNDERSTANDING By and Between KITSAP COUNTY AND WASHINGTON STATE COUNCIL OF COUNTY AND CITY EMPLOYEES, LOCAL 1308, AFSCME, AFL-CIO (COURTHOUSE EMPLOYEES)

KC-103-16-J

RE: Contracting out of emergency plumbing work for clogged "pinners" in Kitsap County Jail

Background:

AFSCME Local 1308 (the "Union") represents Facilities Maintenance & Operations (M&O) Technicians and Specialists, whose regular work includes maintaining Jail mechanical systems such as air handlers, HVAC, electrical, plumbing and roofing. Inmates have increased activity to plug up toilet drains, requiring work to de-plug the toilet drain systems. This work detracts from Facilities M&O Technicians' and Specialists' main work and responsibilities and requires specialized training, equipment and disposal, yet is not sufficiently frequent enough to require or justify hiring staff solely to perform this work. Kitsap County (the "County") has had a long-standing practice of contracting for back-up of this work; this contracting out has been for emergency work, and has been infrequent in nature.

Agreement:

- The Union agrees that the County may contract out solely that work associated with de-plugging the Jail facility inmate toilet drains, known as "pinners". This Agreement does not authorize the contracting out of work de-plugging other Jail facility toilet drains not used by the inmate population, nor any other work currently performed by Facilities M&O Technicians and Specialists.
- The County acknowledges that infectious disease protections are important to the safety of County employees. The County agrees to continue a regular training program for Facilities M&O Technicians and Specialists regarding appropriate protections and procedures for work involving drain pipe maintenance and sewage handling.
- 3. This contracting out will be non-precedent setting.
- 4. This Agreement will be in full force and effect from July 23, 2018 for a term of fourteen (14) months, through September 23, 2019. At any time, the parties may agree to meet to review the contract performance and activity. This Memorandum of Understanding may be extended by mutual agreement of the parties.
