The Central Kitsap Community Council is an advisory group created by the Kitsap County Board of Commissioners. The mission of the Council is to promote a sense of community by identifying and conveying community concerns and issues to the Board of County Commissioners, and advise the citizens of the County's plans, policies, and actions. The purpose of the Council is to provide enhanced citizen-to-County and County-to-citizen communication within the Central Kitsap area by providing a formally defined representative body with which the citizens can discuss items of mutual concern and explore mutually agreeable solutions. Meetings may be recorded to assist in the creation of monthly minutes.
