5:30 PM 3. Ad Hoc Committee Presentation – Creating an Identity for Central Kitsap

   – Brandon Myers & Committee

   How can we create a cohesive identity?
   • A blank slate- Norwegian, New England waterfront like town maybe? Simple project logo, retaining wall designs?
   • Goals: Create ways to connect CK. Enhance small town look and feel as well.
   • Concept: what would bring people together? Orca Whales are social, love community groups.
   • "Whales on trails".

Next Step: Involve community groups in program design (Port, Chamber, Silverdale, Rotary, Harrison, Kitsap Mall, marina's). Maybe also contests as well! (goofiest picture on Orca, etc).

5:50 PM 4. Port of Silverdale – Planning for Old Town Silverdale

The Central Kitsap Community Council is an advisory group created by the Kitsap County Board of Commissioners. The mission of the Council is to promote a sense of community by identifying and conveying community concerns and issues to the Board of County Commissioners, and advise the citizens of the County’s plans, policies, and actions. The purpose of the Council is to provide enhanced citizen-to-County and County-to-citizen communication within the Central Kitsap area by providing a formally defined representative body with which the citizens can discuss items of mutual concern and explore mutually agreeable solutions. Meetings may be recorded to assist in the creation of monthly minutes.
