Summary: Short-term vacation rentals, such as those found on popular listing sites including [airbnb.com](#), are the focus of new policy to be developed for unincorporated areas of Kitsap County. County staff will review the benefits and impacts of short-term vacation rentals on our communities and neighborhoods. Input gathered on vacation rentals will inform new policies that protect customers, uphold building safety and prevent adverse community impacts. A public survey remains open through Feb. 28 where citizens are asked to share their thoughts on short-term vacation rentals. Click [here](#) to learn more about vacation rentals and go to the survey directly at <http://kcowa.us/strsurvey>.
