II. MEETING CORE

6:05 PM A representative from the Suquamish Tribe Police will give an overview of criminal activity in the area, and answer questions (or TomC will give a report).

6:10 PM Introduction of Marian Pierce, new SCAC member – welcome!

6:15 PM Stella Vakarcs, Senior Program Manager for Kitsap County Public Works (sewer utility) will talk to the SCAC about a revised approach to sewer hookup fees.

6:35 PM Jennifer Haro, Policy Analyst with Kitsap County, will give an update on the draft Short Term Vacation Rental Ordinance. It is on hold from moving forward due of COVID. People are facing economic uncertainty, so it was thought that adding increased regulations and costs to income sources would not be wise in this environment. More information can be found at:

6:45 PM Alaina Capoeman, 2020 Census Tribal Partnership Specialist WA Lead, will talk about how Census2020 went in our area, and what's next. 68.3%!

7:00 PM Should the SCAC proclaim Suquamish a welcoming community for all groups and perhaps specifically calling out the Tribes? Martha Burke (SCAC member) will initiate a discussion on if, and how the SCAC can help, for example, teaching more about native history in the schools. It might be a way to at least demonstrate that we see ourselves as members of *this* community.

7:30 PM (mostly updates on what's going on around town)
Angeline North connector trail update
Suquamish Stormwater Facility (David Tucker/TomC)
Local sign code enforcement update
water drainage onto Suquamish Elementary playing field
