**2021 Physical Inspections of Real Property –
A message from the Kitsap County Assessor**

Dear Bremerton Property Owner,

Appraisers from the Kitsap County Assessor's Office are now conducting on-site inspections throughout the Bremerton area. Washington State Law (RCW 84.40.025) requires inspections of all real property throughout the county at least once every six years. The current inspections should be completed by April 2021.

Appraisers from the Kitsap County Assessor's Office will be following social distancing protocols to ensure the safety of the public and staff. Appraisers will attempt to stay in their vehicles while making onsite inspections and we have discouraged appraisers from making contact with the property occupant. If you need to approach an appraiser we ask that you please maintain at least six feet of physical distance.

Our appraisers do not drive county issued vehicles; however their vehicles are marked with the proper county identification on both sides. Other verification options are to request to see individual credentials, contact our office at 360-337-7160, or check our inspection area progress map on our website at: www.kitsapgov.com/assessor .

The cooperation of the public is always appreciated by our staff. We look forward to working with you and answering your questions.

Best Regards,

A handwritten signature in blue ink that reads 'Phil Cook'.

Phil Cook

Kitsap County Assessor
