RESOLUTION 18-06
Providing for the Submission of Permanent Lid Lift (Multi-Year)

A resolution of the board of commissioners of Central Kitsap Fire and Rescue providing for the submission to the qualified electors of the district at the general election to be held within the district on November 6, 2018, in conjunction with the state election to be held on the same date, of a proposition authorizing a levy of a property tax not to exceed $1.50 per $1,000.00 of true and assessed valuation and establishing a six year limit factor subject to otherwise applicable statutory limitations.

WHEREAS, the Board of Commissioners ("Board") of Central Kitsap Fire and Rescue ("District" or "CKFR") has adopted a strategic plan, capital plan and mission statement to provide timely and professional fire and emergency medical services to the community it serves; and,

WHEREAS, in the judgment of the District Commissioners it is essential and necessary for the protection of the public health, life, and property that the District maintain adequate staff and credible response times for the Basic and Advanced Life Support, and fire and rescue services it provides; and,

WHEREAS, all District career Firefighters are either Emergency Medical Technicians or Paramedics; and,

WHEREAS, CKFR responses have grown to approximately 8,000 emergency calls for help each year, with over 60% of those calls being emergency medical service calls; and

WHEREAS, increases in 911 emergency call responses and population have occurred during the past several years, and are forecasted to continue into the future; and

WHEREAS, the District previously passed a lid lift of the regular property tax levy in 2006, and has determined that it will not be able to maintain its present service levels to its citizens without passage of this six-year lid lift levy increase, restoring its levy to $1.50 per $1,000.00 of true and assessed valuation; and

WHEREAS, continued employment and future expansion of the current workforce of Firefighter/Emergency Medical Technicians/Paramedics is necessary to maintain adequate response personnel at the District’s staffed fire stations, without an additional degradation in such response time for the Advanced/Basic Life Support and fire and rescue emergency services it provides; and,

WHEREAS, the continued employment and future expansion of the current workforce of Firefighter/Emergency Medical Technicians/Paramedic is beyond the District’s financial capabilities without a successful public vote to lift the levy lid; and

WHEREAS, the District levied a total of $16,742,840 for the regular fire levy, EMS levy and maintenance and operations levy for taxes due in 2018; and

WHEREAS, the District’s four-year maintenance and operations levy approved in 2015, which represents approximately $1,800,000 of the total revenue collected, expires after 2019; and

WHEREAS, the revenue generated by this lid lift will replace the revenue lost when the District’s maintenance and operations levy expires; and
RESOLUTION 18-06
Providing for the Submission of Permanent Lid Lift (Multi-Year)

WHEREAS, the Board of Commissioners has determined that the accelerated demands for, and increasing costs of, providing services will necessitate the expenditure of revenues for improved capital facilities, additional staffing, apparatus maintenance and operations in excess of those which can be provided by the District’s regular tax revenue levied at the 2018 rate of approximately $1.32 per $1,000.00 of assessed valuation of taxable property within the District as limited by the 101% limitation; and

WHEREAS, the Board of Commissioners has determined that the continued application of the one percent limit factor established by RCW 84.55.010 will not be sufficient to provide for the expected cost increases required to maintain and increase the level of services currently provided by the District; and

WHEREAS, the Board of Commissioners has determined that it is in the best interest of the District that the maximum allowable levy in the sixth year of the levy authorized by this Resolution serve as the levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

NOW, THEREFORE IT IS HEREBY RESOLVED AS FOLLOWS:

Section 1. In order to maintain and increase the level of fire protection, public education, emergency medical services and the protection of life and property in the District, it is necessary for the District to operate and maintain emergency fire and medical service vehicles, to acquire and improve station and other capital facilities and to acquire and retain properly trained personnel equipped with proper firefighting and emergency medical equipment.

Section 2. In order to provide the revenue adequate to pay the costs of maintaining and providing the services described in Section 1 and to assure the continuation and improvement of such services the District shall, in accordance with RCW 84.55.050, remove the limitation on regular property taxes imposed by RCW 84.55.010 and levy beginning in 2018 and collect beginning in 2019, pursuant to RCW 52.16.130 and RCW 52.16.140 general tax on taxable property within the District at a rate of $1.50 per $1,000.00 of assessed valuation. The District has previously levied at the $1.32 per $1,000.00 rate in 2017 for collection in 2018.

Section 3. In order to provide the revenue adequate to pay the costs of maintaining and providing the services described in Section 1 and to maintain reserve funds sufficient to assure the continuation of such services beyond 2018, the District has determined that the limit factor for each of the following five years shall be up to six percent (6%) but shall be no lower than or the amount authorized under RCW 84.55.0101. Such percentage shall be used to determine the actual levy rate, subject to a limit of $1.50 per $1,000.00 of assessed valuation, in 2019 – 2023.

Section 4. The dollar amount levied in 2023 for collection in 2024 shall serve as the District’s tax levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

Section 5. There shall be submitted to the qualified electors of the District for their ratification or rejection, at the general election on November 6, 2018, in conjunction with the state election to be held on the same date the question of whether or not the regular property tax levy of the District should be established at $1.50 per $1,000.00 of true and assessed valuation in 2018 and be adjusted by the amount authorized under RCW 84.55.0101 or up to six percent (6%), whichever is greater, for each of the following five years, subject
