or within the scope of the Contractor's services under the Contract, including testing, monitoring, measuring operations or laboratory analysis where such services are rendered under the Contract.

The Contractor will maintain workers' compensation insurance as required by Title 51, Revised Code of Washington, and will provide evidence of coverage to the Kitsap County Risk Management Division. If the Contract is for over \$50,000, then the Contractor will also maintain employer liability coverage with a limit of not less than \$1 million.

7.3 Commercial General Liability. The Contractor will maintain commercial general liability coverage for bodily injury, personal injury and property damage, subject to a limit of not less than \$1 million per occurrence. The general aggregate limit will apply separately to the Contract and be no less than \$2 million. The Contractor will provide commercial general liability coverage that does not exclude any activity to be performed in fulfillment of the Contract. Specialized forms specific to the industry of the Contractor will be deemed equivalent provided coverage is no more restrictive than would be provided under a standard commercial general liability policy, including contractual liability coverage.

7.4 Automobile Liability. The Contractor will maintain automobile liability insurance as follows (check ONE of the following options):

Not Applicable.

The Contractor will maintain commercial automobile liability insurance with a limit of not less than \$1 million each accident combined bodily injury and property damage. The aggregate limit will be at least \$2 million. Coverage will include owned, hired and non-owned automobiles.

X The Contractor will maintain automobile liability insurance or equivalent form with a limit of not less than \$100,000 each accident combined bodily injury and property damage. The aggregate limit will be at least \$300,000. If a personal lines automobile liability policy is used to meet this requirement, it must include a business rider and must cover each vehicle to be used in the performance of the Contract and the certificates of insurance must evidence that these conditions have been met. If the Contractor will use non-owned vehicles in performance of the Contract, the coverage will include owned, hired and non-owned automobiles.

7.5 Miscellaneous Insurance Provisions.

A. The Contractor's liability insurance provisions will be primary with respect to any insurance or self-insurance programs covering the County, its elected and appointed officers, officials, employees and agents.

B. When such coverage is required, the Contractor's commercial general liability insurance and automobile liability insurance will include the County, its officers, officials, employees and agents as an additional insured with respect to performance of services.

C. When such coverage is required, the Contractor's commercial general liability insurance and automobile liability insurance will contain no special limitations on the scope of protection afforded to the County as an additional insured.

D. Any failure to comply with reporting provisions of the policies will not affect coverage provided to the County, its officers, officials, employees or agents.

E. The Contractor's insurance will apply separately to each insured against whom claim is made or suit is brought, subject to the limits of the insurer's liability.

F. The Contractor will include all subcontractors as insureds under its policies or will furnish separate certificates and endorsements for each subcontractor. All coverage for subcontractors will be subject to all of the requirements stated in these provisions.

G. The insurance limits mandated for any insurance coverage required by the Contract are not intended to be an indication of exposure, nor are they limitations on indemnification.

H. The Contractor will maintain all required policies in force from the time services commence until services are completed. Certificates, policies and endorsements scheduled to expire before completion of services will be renewed before expiration. If the Contractor's liability coverage is written as a claims-made policy, then the Contractor must evidence the purchase of an extended-reporting period or "tail" coverage for a three-year period after completion of the services.

#### 7.6 Verification of Coverage and Acceptability of Insurers.

A. The Contractor will place insurance with insurers licensed to do business in the State of Washington and having A.M. Best Company ratings of no less than A-VII, with the exception that excess and umbrella coverage used to meet the requirements for limits of liability or gaps in coverage need not be placed with insurers or re-insurers licensed in the State of Washington.

B. The Contractor will furnish the County with properly executed certificates of insurance or a signed policy endorsement which will clearly evidence all insurance required in this Section within 10 days after the effective date of the Contract. The certificate will, at a minimum, list limits of liability and coverage. The certificate will provide that the underlying insurance contract may not be canceled, or allowed to expire, except on 30-days' prior written notice to the County. Any certificate or endorsement limiting or negating the insurer's obligation to notify the County of cancellation or changes must be amended so as not to negate the intent of this provision.

C. The Contractor will furnish the County with evidence that the additional-insured provision required above has been met. Acceptable forms of evidence are the endorsement pages of the policy showing the County as an additional insured.

D. Certificates of insurance will show the certificate holder as Kitsap County and indicate "care of" the appropriate County office or department. The address of the certificate holder will be shown as the current address of the appropriate County office or department.

E. The Contractor will request that the Washington State Department of Labor and Industries, Workers Compensation Representative, send written verification to Kitsap County that the Contractor is currently paying workers' compensation.

F. Written notice of cancellation or change will be mailed to the County at the following address:

Risk Management Division  
Kitsap County Department of Administrative Services  
614 Division Street, MS-7  
Port Orchard, WA 98366

G. The Contractor or its broker will provide a copy of all insurance policies specified in the Contract upon request of the Kitsap County Risk Manager.

## SECTION 8. TERMINATION

8.1 The County may terminate the Contract in whole or in part whenever the County determines, in its sole discretion, that such termination is in the best interests of the County. The County may terminate the Contract upon giving the Contractor 10-days' written notice. In that event, the County will pay the Contractor for all costs incurred by the Contractor in performing the Contract up to the date of such notice, subject to the other provisions of the Contract.

8.2 If funding for the underlying project or matter is withdrawn, reduced or limited in any way after the Contract is signed or becomes effective, the County may summarily terminate the Contract notwithstanding any other termination provision in the Contract. Termination under this provision will be effective upon the date specified in the written notice of termination sent by County to the Contractor. No costs incurred after the effective date of the termination will be paid.

8.3 If the Contractor breaches any of its obligations under the Contract, and fails to cure the breach within 10 days of written notice to do so by the County, the County may terminate the Contract. In that event, the County will pay the Contractor only for the costs of services accepted by the County. Upon such termination, the County, at its discretion, may obtain performance of the work elsewhere, and the Contractor will bear all costs and expenses incurred by the County in completing the work and all damages sustained by the County by reason of the Contractor's breach.

## SECTION 9. ASSIGNMENT, DELEGATION AND SUBCONTRACTING

9.1 The Contractor will perform under the Contract using only its bona fide employees or agents, and the obligations and duties of the Contractor under the Contract will not be assigned, delegated or subcontracted to any other person or firm without the prior express written consent of the County.

9.2 The Contractor warrants that it has not paid, nor has it agreed to pay, any company, person, partnership or firm, other than a bona fide employee working exclusively for Contractor, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of the Contract.

## SECTION 10. INDEPENDENT CONTRACTOR

The Contractor specifically has the right to direct and control Contractor's own activities in providing the agreed services in accordance with the specifications set out in the Contract.

10.2 The Contractor acknowledges that the entire compensation for the Contract is set forth in the compensation provisions of the Contract and the Contractor is not entitled to any County benefits, including, but not limited to: vacation pay; holiday pay; sick leave pay; medical, dental or other insurance benefits; fringe benefits; or any other rights or privileges afforded to Kitsap County employees.

10.3 The Contractor will have and maintain complete responsibility and control over all of its subcontractors, employees, agents and representatives. ## SECTION 12. OWNERSHIP OF MATERIALS/WORKS PRODUCED

Ownership includes the right to copyright, patent, and register, and the ability to transfer these rights.

12.2 All design work done by the Contractor will be done on AutoCAD, release 12 or higher or other systems mutually agreed upon, an electronic copy of which will be submitted to the County upon request or at the end of the job. Should a construction project result from the work of the Contractor, the record drawings from the Contractor will be transposed onto the electronic design drawings and submitted to the County.

12.3 An electronic copy of all word processing documents will be submitted to the County upon request or at the end of the job using the word processing program and version specified by the County.

## SECTION 13. PATENT/COPYRIGHT INFRINGEMENT

The Contractor will hold harmless, indemnify and defend the County, its officers, officials, employees and agents, from and against any claimed action, cause or demand brought against the County, where such action is based on the claim that information supplied by the Contractor or subcontractor infringes any patent or copyright. The Contractor will be notified promptly in writing by the County of any notice of such claim.

## SECTION 14. DISPUTES

Differences, disputes and disagreements between the Contractor and the County arising under or out of the Contract will be brought to the attention of the County at the earliest possible time so that the matter may be settled or other appropriate action promptly taken. All rulings, orders, instructions and decisions of the County's contract representative will be final and conclusive.

## SECTION 17. MISCELLANEOUS

17.1 No Waiver. The parties agree that the excuse or forgiveness of performance, or waiver of any provisions of the Contract, does not constitute a waiver of such provision or future performance, or prejudice the right of the waiving party to enforce any of the provisions of the Contract at a later time.

17.2 Tax Payments. The Contractor will pay all applicable federal, state and local taxes, fees (including licensing fees) and other amounts.

and to the partners, successors, administrators and assigns of such other party in respect to all covenants to the Contract.

If a court of competent jurisdiction holds any provision of the Contract to be illegal, invalid or unenforceable, in whole or in part, the validity of the remaining provisions will not be affected, and the parties' rights and obligations will be construed and enforced as if the Contract did not contain the particular provision held to be invalid.
