- 2) The Supplier shall provide Aramid Fiber conforming to the following requirements:

Length:	¾ inch (19 mm)
Form:	Fibrillated, monofilament, or cut fiber clips
Specific Gravity:	Aramid, 1.44

However, please provide bid costs for rental/lease of applicable automated feeders/delivery system in the applicable line item provided within the quote sheet.
  
- 5) Application of your product may require training and certification. If this is the case, please indicate the appropriate costs in the applicable line item provided within the quote sheet.
