Q1. Who will handle getting the permits?

A1. The awarded contractor handles all permitting.

Q2. Who will get rid of the rounds of wood, organic piles, wood chips and woody debris, at the site today?

A2: Parks staff will remove all of this prior to the start of the project.

Q3. Will the park access route need to be fenced with chain-link fencing?

A3. No, orange construction fencing is sufficient. The actual construction site will be secured with chain-link fencing.

Q4. Will parks staff work directly with the gutter contractor for gutter and downspout install?

A4. Yes.

Q5. Shelter will run which way?

A5. It will be 36' long/length wise, parallel to the playground timbers.

Item K: Purchase and install (20) yards of $\frac{3}{4}$ minus gravel base in the shelter, in place of a concrete slab should be removed from the scope of work for this project with bids adjusted accordingly.

There are no other changes to the original specifications other than what is changed by Addendum. Acknowledgement of receipt of this and all ADDENDUM is required.
