Port Gamble Forest Heritage Park – Project Management

TO: All Respondents

FROM: Vicki Martin, Buyer

CLOSING DATE: Tuesday, February 18, 2020 at 3:00 p.m. (UNCHANGED)

DATE: Monday, January 27, 2020

In response to questions received, the following information is provided to assist in responding to the above referenced proposal:

QUESTIONS AND RESPONSES

1. Question: Will the successful bidder be excluded from proposing on the projects listed within the RFQ?

Answer: As they will be responsible for running an open public procurement of the parks design and construction and master plan development, the successful bidder on this RFQ will be prohibited from applying for the subsequent procurements. This would be a conflict of interest.

2. Question: Can you describe the County's purpose for separating the management and design of these various projects?

Answer: Due to staffing limitations and a tight timeline, the County elected to hire a project manager role to address the follow-on contracts. Kitsap County will play a role in those subsequent solicitations, but we needed a point person for day to day oversight.
