

ADDENDUM NO. 3 REQUEST FOR PROPOSALS 2020-125

Kitsap County Public Works Department, Solid Waste Division

TO: All Respondents

FROM: Vicki Martin, Buyer

CLOSING DATE: Thursday, November 19, 2020 at 3:00 p.m. (UNCHANGED)

REF NO.: RFP 2020-125 – Solid Waste Transfer Station Operation and Maintenance, and Waste Transport and Disposal Services

DATE: Friday, August 21, 2020

In response to questions received, the following information is provided to assist in responding to the above referenced proposal:

1) How did the County arrive at the 18,300 tons/month in the Pricing Forms?

The 18,300 tons per month in the Pricing Forms is based on an approximate number for monthly MSW tonnage extracted from 2019 data, with the exclusion of some non-MSW materials. The value is representative and not arbitrary. The County selected 18,300 tons per month as a reasonable tonnage for purposes of comparing proposals.

2) Table 4 (page 17 of 31) in the RFP shows total deposit amount of \$6,000,000. Should this be corrected to \$25,000,000?

Total Deposited Amount of \$6,000,000 shown in Table 4 is an error. Table 4, Capital Improvement Fund Funding Schedule, Total Deposited Amount is \$25,000,000.00.
