Describe all proposed rates, fees, and County commissions. All proposed call rates and fees must be fully compliant with all pertinent FCC/federal, state, and local regulations. The proposed call rates must not exceed the current call rates offered at the Jail. The Proposed commission payable shall be stated as a percentage of gross revenue for all calls placed on or through the Inmate Telephone System, with no fee additions beyond the maximum rates and fees specifically allowed by the FCC Order, state tariffs, and any other pertinent regulations. Failure to state commissions as a percentage of gross revenue, using only rates and fees that are compliant with all pertinent regulations, will cause Bidder's proposal to be deemed non-compliant and ineligible for contract award.
