INTERLOCAL COOPERATIVE PURCHASING AGREEMENT

THIS INTERLOCAL COOPERATIVE PURCHASING AGREEMENT ("Agreement") is made and entered by and between the City of Vancouver, a political subdivision of the State of Washington, and Kitsap County, a political subdivision of the State of Washington.

WHEREAS, the Interlocal Cooperation Act, as amended and codified in Chapter 39.34 RCW, provides for joint or cooperative action between public agencies of this state; and

WHEREAS, the parties to this Agreement are public agencies and desire to enter into this Agreement to provide for cooperative purchasing and the ability utilize the procurement agreements of the other when it is lawful and beneficial to do so.

NOW, THEREFORE, the parties agree as follows:

1. **PURPOSE.** The purpose of this Agreement is to acknowledge the parties' mutual interest to jointly bid the acquisition of goods and services where such effort can be planned in advance and to authorize the purchase or acquisition of goods and services under contracts awarded through a competitive bidding process, which contain a provision authorizing other public agencies to cooperatively purchase the same.
2. **SCOPE.** This Agreement shall allow the following activities:
 - A. Purchase or acquisition of goods and services by each party acting as an agent for either or both parties, with the prior written agreement of the parties;
 - B. Purchase or acquisition of goods and services by each party under contracts (i) awarded through a competitive bidding process; (ii) which contain a provision authorizing other public agencies to avail themselves of the goods and services offered under the contract, (iii) where the vendor is willing to extend prices to other public agencies; and (iv) the original purchasing party has posted notice pursuant to RCW 39.04.030(5)(b).
3. **ADMINISTRATION.** No new or separate legal or administrative entity is created to administer the provisions of this Agreement. Neither party is authorized to bind the other party to any contract or obligation without the prior written consent of the other.
4. **DURATION AND TERMINATION.** This Agreement shall take effect when executed by the legislative bodies of both parties and shall remain in effect until terminated by either party on prior written notice to the other.
5. **FILING.** Executed copies of this Agreement shall be filed with the county auditor or,

alternatively, posted on line by subject as required by RCW 39.34.040 prior to this Agreement becoming effective.

6. RIGHT TO CONTRACT INDEPENDENTLY. Each party reserves the right to contract independently for the purchase or acquisition of any goods or services with or without notice to the other party and shall not bind or otherwise obligate the other party to participate in the activity. Each party reserve the right to exclude the other party from any particular purchasing contract with or without notice to the other party.
7. COMPLIANCE WITH LEGAL REOUIREMENTS. Each party is solely responsible for its own compliance with federal, state and local laws and regulations, including all procurement requirements applicable to its acquisition of goods or services obtained through the cooperative process.
8. PROPERTY. Any property acquired by a party under this Agreement shall be the sole and separate property of the acquiring party, which shall have the sole right of disposal of the property. Any property jointly acquired by parties under this Agreement shall require a separate written agreement to address the acquisition, storage, maintenance, insurance and disposition of the jointly acquired property.
9. FINANCING; BUDGET. The method of financing of payment shall be through budgeted funds or other available funds of the party acquiring the goods or services. The party soliciting bids shall not be liable to or responsible for specifications, delivery, payment or any other aspect of the purchase or acquisition of goods or services acquired for use by the other party. Each party shall be responsible for its own budgeting.
