**DO NOT LEAVE THIS LIST** where it can be found !

**DO PLAN AHEAD** for your safety and the safety of your children !

## DURING AN EXPLOSIVE EVENT:

- ◆ Get into a room with an outside exit, not a bathroom, kitchen or anywhere there are obvious weapons.
- ◆ Plan and then practice how you will get out of the house safely.
- ◆ Pack a small bag and leave it in an accessible but secret place.
- ◆ Identify a neighbor or co-worker you can tell about the violence. Ask them to call the police if they hear or see a disturbance.
- ◆ Think of a code word to use with your children, family, friends, and neighbors when you need help.
- ◆ Decide ahead of time where you will go if you need to leave home.
- ◆ Have money or a calling card with you at all times for an emergency phone call.
- ◆ Use your instincts! If you know the situation is getting dangerous, give the abuser what he wants to calm him down.
- ◆ Protect yourself until you are out of danger!

## WHEN PREPARING TO LEAVE:

- ◆ Open a savings account.
- ◆ Leave money, extra keys and clothes with some one you trust.
- ◆ Identify a person with whom you & your children could stay or a few days.
- ◆ Remember, LEAVING IS THE MOST DANGEROUS TIME!

## IN YOUR OWN HOME:

- ◆ Change the locks on your doors & buy security devices for your windows.
- ◆ Discuss a safety plan with your children for when you are not with them.
- ◆ Inform & reinforce with your child's school/ day care, who is authorized to pick up your children.
- ◆ Inform your neighbors & landlord that your partner no longer lives with you & they should call the police if they see him near your home.

## ON THE JOB:

- ◆ Inform someone at work about your situation, including your supervisor & security staff.
- ◆ Provide a picture of your batterer & a description of his vehicle & license plate number.
- ◆ Consider having someone screen your phone calls.
- ◆ Use caution when parking your car. Look for good lighting, no shrubbery, & security.
- ◆ Do not park in the same place.
- ◆ Devise a safety plan for at work. Look for exits & escape routes.
- ◆ Try to leave in a group or with an escort.
- ◆ Use a variety of driving routes home.
