

**COMMUNITY DEVELOPMENT DEPARTMENT
NEW STORMWATER REGULATIONS – SUPPORTING CODE DOCUMENTS**

New Stormwater Regulations to take effect December 31, 2016.

Kitsap County's Department of Community Development revised development related Codes that will go into effect December 31, 2016. In compliance with the goals of the permit, Kitsap County Board of Commissioners adopted a new [Stormwater Design Manual](#), as well as revisions to applicable codes.

Changes to the County Code included these sections:

- **Title 12** - Stormwater and Drainage has been updated:
 - [Title 12 Final Code Amendments](#)
- **Title 16** – Land Division and Development was slightly modified to make LID the preferred method.
 - [Title 16 Final Code Amendments - Underlines and Strikeouts](#)
- **Title 17** - Zoning was modified in regards to parking and landscaping requirements to facilitate implementation of LID.
 - [Title 17 Final Code Amendments - Underlines and Strikeouts](#)
