

BROCHURE # 90

RIGHT OF WAY PERMIT

What is a Right of Way Permit?

A Right-of-Way Permit allows you to use and/or improve County Right of Way. When you apply for a Right of Way Permit, your permit will be conditioned to ensure it is constructed to [Kitsap County Road Standards](#).

Why should I apply for a Right of Way Permit?

A Right of Way Permit is needed to construct, alter, repair, or relocate any utility/roadway feature in Kitsap County right-of-way as provided in RCW 36.88.320 and KCC 11.36. The placement, construction, or installation of any improvements within county rights-of-way which violates the provisions of KCC 11.36 is declared to be unlawful and a public nuisance and may be punishable by law. When improvements are made to County-maintained right-of-way, they must be constructed to County Standards. This allows the road crews to properly maintain the roads, allows the roads to be plowed when it snows, provides proper storm water runoff, and ensures quality infrastructure for current and future citizens.

How much does a Right of Way Permit Cost?

For current fee information, see the DCD Fees Schedule at:

www.kitsapgov.com/dcd/pages/payments.aspx

Click the [2020 Fee Schedule](#) link on the right hand side for the most current information.

How do I obtain a Right of Way Permit?

You may apply directly Online at <https://co-kitsap-wa.smartgovcommunity.com/Public/Home>.

For additional information and instructions on how to apply Online, check permit status, schedule inspections, or make a payment please visit our website at

<https://spf.kitsapgov.com/how-do-i/apply-for/right-of-way-permits>.

My project is located on an Unmaintained Right Of Way. Do I still need a permit?

Yes. Even though the access road is unmaintained, the road use/improvements must meet county standards. An unmaintained road is defined as: "A road within county right of way, which is accessible to the public travel but is not maintained by the county."

For additional Information, please contact Public Works – Right of Way Inspection at (360) 337-5777 or email ROWPermits@co.kitsap.wa.us
