

BIBLIOGRAPHY

The following bibliography is organized by Comprehensive Plan chapters and appendices.

Chapter 2: Land Use

Kitsap County. Port Orchard, Washington. Assessor Department. Various records.

Kitsap County, Department of Community Development Geographic Information System generated maps:

- Forest Soil Suitability
 - Soil Conservation Service index
- Prime Agricultural Soils
 - Soil Conservation Service index
- Mineral Resources
 - Washington State DNR surface mining permits
- Surface Water
 - drainage basins and stream types
- Critical Areas
 - potential wetlands, steep and unstable slopes, flood plains and Hansville aquifer
- Wildlife Habitat
 - Washington State Department of Wildlife priority habitat, shellfish resources
- Housing Distribution
 - number of dwelling units per square mile
- Water Lines
 - Class 1 systems with 100 or more connections
- Sewer Lines
 - service areas and sewer lines
- Arterials
 - principle and minor arterials and collectors
- Public Transit
 - Park and Ride lots, ferry terminals, fixed bus routes
- Schools
 - public school districts, schools, community college, vocation and special facilities
- Fire Stations
 - twelve districts
- Parks and Recreation
 - state and regional parks, boat launch ramps, fishing piers and marinas
- Utilities
 - electrical substations and transmission lines, natural gas service area and lines, telecommunication service areas, cellular tower sites

BIBLIOGRAPHY

Public Facilities

governmental centers, landfills, police stations, libraries, hospitals

Existing Land Use

based on Assessor records, classifies by parcel size and type of land use

Kitsap County, Department of Community Development. Port Orchard, Washington.
