

DOCKET & STATUS UPDATE

This document last updated: 10/1/2018

The Board of County Commissioners have opened the annual Comprehensive Plan amendment process for 2018. See our [Online Open House](#) for more information about this process. The amendment process will follow this [schedule](#) through December 2018.

The initial docket ([Resolution No. 246-2017](#)) adopted by the Board of County Commissioners determines what County-sponsored amendments will be developed and allows for the submittal of certain types of site-specific applications from interested parties. The Board of County Commissioners adopted a revised and final docket ([Resolution 064-2018](#)) in April 2018.

This document summarizes the current status of each amendment in the docket and provides links to additional information. This document will be updated periodically throughout the process.

SITE-SPECIFIC AMENDMENT APPLICATIONS

Applications for site-specific amendments were accepted from January 9, 2018 to February 6, 2018 for the following areas of consideration:

1. Changing the land use designation to Mineral Resource Overlay (MRO) on property outside urban growth areas.
2. Changing the land use designation to Forest Resource Lands (FRL) on property outside urban growth areas.
3. Changing the land use designation on property within urban growth areas for the purpose of infill and redevelopment.

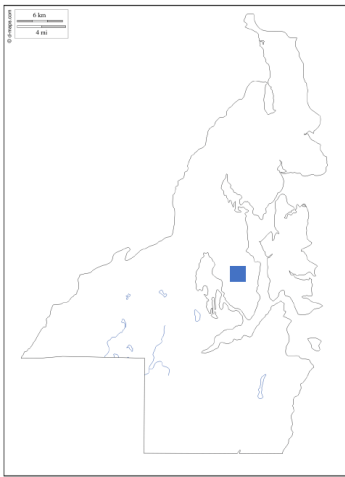

Acquisition of transferable development rights (TDRs) are required for certain site-specific Comprehensive Plan amendments as specified in [Resolution 246-2017](#) at ratios adopted by [Resolution 217-2017](#). Required TDRs are calculated by first rounding up acres (i.e. 2.15 acres rounds up to 3 acres) and then multiplying by the applicable ratio.
