PROGRAMMATIC DETERMINATION OF NONSIGNIFICANCE

Description of Proposal: **Update to Kitsap Countywide Planning Policies (CPPs)**. The proposed update is intended to ensure consistency with PSRCs Vision 2050 and any changes to state laws, such as the Washington State Growth Management Act (GMA). The CPPs apply to jurisdictions located within Kitsap County and local comprehensive plans must be consistent with them. The proposed CPPs recommended by KRCC amend: the Introduction; Elements A - N; and Appendices A, C, D, F, and G. Following Kitsap County's initial action, the adopting ordinance will be transferred to the Cities of Bainbridge Island, Poulsbo, Bremerton, and Port Orchard for ratification. At minimum, three Kitsap cities must ratify for the County adopting ordinance to take effect.

Proponent: Kitsap County Dept of Community Development

Lead Agency: KITSAP COUNTY

Location of proposal, including street address, if any: N/A

The lead agency for this programmatic proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed programmatic environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This programmatic DNS is issued under WAC 197-11-340(2) and is not administratively appealable under chapter 21.04 KCC; the lead agency will not further act on this proposal for 14 days from the date below. Comments must be submitted by September 2, 2021.
