RE: WaveDivision Holdings, LLC (“Wave Broadband”); Rate Adjustment Notice
UPDATED

We are providing the following details in compliance with the 30-day advanced notification of an adjustment to rates under the applicable FCC regulations and the requirements of our franchise with Kitsap County. Wave Broadband will be adjusting the retail price of some of its video services starting April 2, 2018.

The monthly rates for the following services will be adjusted: Expanded Content (also known as Basic Cable), and any packages including that service, will increase by \$2.24; Interactive Equipment Fee will increase by \$0.72.

This rate adjustment is the direct result of annual programming cost increases from TV networks owned by NBCUniversal, Discovery Networks, and Sinclair Broadcasting and regional sports programmers.

These rate changes are exclusive of franchise fees, regulatory fees, and other governmentally-imposed charges. Customers will receive detailed information covering the rate changes with their billing statement.

At Wave Broadband, we work hard to establish the best channel selection for our customers and communities while balancing rapidly increasing programming costs. We will continue to invest in our network to bring customers the latest technologies, enhancing their service experience, at very competitive prices.

Please contact me directly with any questions.

Sincerely,

EVP Broadband Services
