Crisis Services may be provided prior to completion of an Intake Evaluation. Services are provided by or under the supervision of a Mental Health Professional.

The delegation grid may be amended from time to time during the term of this Agreement by SBHASO to reflect changes in delegation standards; delegation status; performance measures; reporting requirements; and other provisions.

Salish Behavioral Health Administrative Services Organization (SBHASO)

Exhibit C-5: Quality Improvement (QI) Delegation Grid

The purpose of the following grid is to specify the responsibilities of [Behavioral Health Agency] (“Sub-Delegate”) under the Agreement with respect to the specific activities that are sub-delegated for Quality Improvement. The grid also describes the semi-annual reporting requirements, which are in addition to any applicable reporting requirements stated in the Agreement. The grid below applies to the sub-delegation of Behavioral Health Telephone Access for Crisis Services by SBHASO to Sub-Delegate.

SBHASO does not formally sub-delegate the responsibility for performing quality management and improvement activities on behalf of SBHASO. However, SBHASO does require Sub-Delegates to maintain a quality improvement and management program pertaining to sub-delegated activities, and to participate and cooperate in SBHASO’s quality improvement program, collect data for SBHASO quality improvement activities, and carry out corrective actions as required by SBHASO.

The delegation grid may be amended from time to time during the term of this Agreement by SBHASO to reflect changes in delegation standards; delegation status; performance measures; reporting requirements; and other provisions.

The sections that follow describe the process by which SBHASO evaluates Sub-Delegate’s performance and the remedies available to SBHASO if Sub-Delegate does not fulfill its obligations. The statements below shall not supersede any term or condition of Exhibit C, the Delegation Agreement, and all obligations and remedies set forth in the parties’ Agreement remain in full force and effect. In the event of a conflict between the descriptions below and any term or condition of the Agreement, including Exhibit C, the terms and conditions of the Agreement shall prevail.

Process of Evaluating Delegate’s Performance

SBHASO will require routine reports and documentation as listed in the delegation grid and will use this documentation to evaluate Sub-Delegate performance on an ongoing basis. In addition, SBHASO will:

- Conduct an annual audit to ensure all sub-delegated activities comply with applicable Compliance Requirements,
- Provide written feedback on the results of the annual audit, and
- Require Delegate to implement corrective action plans if the delegate does not fully meet Compliance Requirements.

If SBHASO determines that Sub-Delegate has failed to adequately perform the delegated activities, SBHASO may:

- Change or revoke the scope of delegation if corrective action is not adequate; and/or
- Discontinue contracting with Sub-Delegate.

Ongoing performance of accredited delegates is evaluated through the semi-annual and routine monitoring of reports. SBHASO reserves the right to conduct annual or ad hoc audits of documentation,

processes and files in order to ensure service levels, quality and compliance with regulatory requirements.

Corrective Action Plans

If Sub-Delegate fails to meet any of its responsibilities, including contracted responsibilities and NCQA accreditation or certification requirements, SBHASO will work with Sub-Delegate to create a corrective action plan to identify areas of improvement and actions plans to ensure compliance with all elements and categories. If Delegate does not take corrective action, or fails to meet improvement goals, SBHASO reserves the right to revise the delegation agreement and scope, or revoke the delegation agreement altogether.

Subdelegation

It may be allowable for a SBHASO to sub-delegate specific activities that relate to Crisis Services telephone operations. As provided for under the Agreement and as set forth herein, sub-delegation requires the prior written approval of the Managed Care Organizations. In addition to the requirements set forth in the Agreement, SBHASO will submit to MCO a Delegation Chart. If a sub-delegation is approved, the SBHASO will be responsible for ongoing oversight of the sub-delegate’s performance and is required to report performance results to the Managed Care Organizations.

- 2.2 **Management; Administration; Legal Responsibilities.** Contractor may use PHI and PII for its proper management and administration and to fulfill its legal responsibilities, as long as the uses are permitted under Law for an Upstream Covered Entity, SBHASO, and Contractor.

Contractor shall: (i) to the extent permitted by Law, immediately notify SBHASO prior to the disclosure; (ii) cooperate with SBHASO in making any disclosures Required by Law, including efforts to challenge or limit the disclosure; and (iii) provide a copy of all information disclosed relating to this Agreement or the Service Contract.

Contractor shall comply with SBHASO's policies and procedures concerning minimum necessary requirements. The Parties shall collaborate in determining what quantum of information constitutes the "minimum necessary" amount for Contractor to accomplish its intended purposes.

- 3.3.2 **Security Incident.** Contractor shall report to SBHASO any Security Incident of which Contractor becomes aware, regardless of whether the Security Incident rises to the level of a Breach. This Agreement constitutes notification of "unsuccessful" Security Incidents that do not present a risk to PHI or PII such as: (i) "pings" on an information system firewall; (ii) port scans; and (iii) attempts to log on to an information system or enter a database with an invalid password or user name.

- 3.4 **Subcontractors.** Contractor shall ensure any Subcontractor whom Contractor permits to create, receive, maintain, or transmit PHI or PII on behalf of Contractor or SBHASO, agrees in writing: (i) to the same restrictions and conditions that apply through this Agreement to Contractor; and (ii) to comply with the requirements of the Security Rule that apply to Business Associates. Contractor shall not permit a Subcontractor to create, receive, maintain, or transmit PHI or PII unless Contractor has performed adequate due diligence on the Subcontractor and found Subcontractor's safeguards appropriate.
- 3.5 **Restrictions.** Contractor agrees to comply with any requests for restrictions on certain uses and disclosures of PHI or PII of which SBHASO informs Contractor.
- 3.6 **Access.** At the request of SBHASO, within ten (10) business days, unless a shorter time period is requested, in the manner, form, and format requested by SBHASO, Contractor shall make available PHI and PII so that SBHASO or an Upstream Covered Entity may respond to an Individual's request for access to PHI and PII in accordance with the Standards for Privacy of Individually Identifiable Health Information (the "Privacy Rule") and other Law. - 3.7 **Amendment.** At the request of SBHASO in a reasonable time and manner and in the form and format requested by SBHASO, Contractor shall make amendments to PHI and PII so that SBHASO or an Upstream Covered Entity may respond to an Individual's request for an amendment by SBHASO in accordance with the Privacy Rule and other Law. In the event an Individual requests from Contractor any amendments, to the extent permitted by Law, Contractor shall forward the request to SBHASO within two (2) business days.
- 3.8 **Accounting of Disclosures.** Contractor shall document any disclosures that are required to be in an accounting of disclosures under the Privacy Rule and, upon request, shall provide information required to be included in an accounting of disclosures to SBHASO to permit SBHASO or an Upstream Covered Entity to comply with the Privacy Rule and other Law. VI. MISCELLANEOUS.

- 6.1 **Indemnification Obligation.** Notwithstanding anything to the contrary in the Service Contract, Contractor will indemnify, defend at SBHASO's request, and hold harmless SBHASO, its Workforce, County Authorities Executive Committee, Advisory Board, partners, agents, and Subcontractors (collectively "**SBHASO Indemnified Parties**") from and against any and all claims, actions, investigations, proceedings, losses, liability, damages, costs, and expenses (including attorneys' fees, costs of defense, and costs of investigation, mitigation, remediation, and notification) incurred or suffered by an SBHASO Indemnified Party (collectively, "**Damages**") that

arise out of, result from, allege, or relate to any of the following: (i) Contractor's breach of this Agreement, including any breach of any representation or warranty; (ii) any Event reported by Contractor under this Agreement; (iii) any violation of Law by or caused by Contractor or its Workforce, agents, or Subcontractors; or (iv) any negligent act or omission, willful misconduct, strict liability, or fraud by or of Contractor or its Workforce, agents, or Subcontractors.

- 6.3 **Process for Indemnification.** SBHASO will notify Contractor of any Damages for which it seeks indemnification. Upon a SBHASO request for defense, Contractor will use counsel reasonably satisfactory to the SBHASO Indemnified Parties to defend each claim related to the Damages and will keep the SBHASO Indemnified Parties informed of the status of the defense of each of the Damages. SBHASO will give Contractor reasonable assistance, at Contractor's expense, as Contractor may reasonably request. SBHASO will provide Contractor the opportunity to assume sole control over defense and settlement, as long as Contractor will not consent to the entry of any judgment or enter into any settlement without the SBHASO Indemnified Parties' prior written consent, which will not be unreasonably withheld. Any SBHASO Indemnified Party may participate in the defense at its own expense. Contractor's duty to defend is independent of its duty to indemnify, to mitigate, or to cover costs.
- 6.4 **Not Limited by Insurance Coverage.** Contractor's indemnification, mitigation, coverage of costs, and defense obligations will not be limited in any manner whatsoever by any required or other insurance coverage maintained by Contractor.
- 6.5 **No Limitations on Liability.** Notwithstanding any other provision of this Agreement or the Service Contract, in no event will any exclusions, disclaimers, waivers, or limitations of any nature whatsoever apply to any damages, liability, rights, or remedies arising from or in connection with: (i) Contractor's indemnification and defense obligations under this Agreement; (ii) Contractor's breach of this Agreement, including any breach of any representation or warranty; (iii) any Event reported by Contractor; (iv) any violation of Law by or caused by Contractor or its Workforce, agents, or Subcontractors; or (v) any negligent act or omission, willful misconduct, strict liability, or fraud by or of Contractor or its Workforce, agents, or Subcontractors.

- 6.7 **Insurance.** Contractor shall maintain appropriate and adequate insurance coverage, including cyber insurance, to cover Contractor's obligations pursuant to this Agreement. Contractor's cyber insurance shall be no less than one million dollars (\$1,000,000) per occurrence. Upon request, Contractor shall provide evidence of insurance coverage.
- 6.8 **Equitable and Injunctive Relief.** The Parties acknowledge that the use or disclosure of PHI or PII in a manner inconsistent with this Agreement may cause SBHASO and its Upstream Covered

Entities irreparable damage and that SBHASO and its Upstream Covered Entities shall have the right to equitable and injunctive relief, without having to post bond, to prevent the unauthorized use or disclosure of PHI or PII and to damages as are occasioned by an Event in addition to other remedies available at law or in equity. SBHASO's and Upstream Covered Entities' remedies under this Agreement and the Service Contract shall be cumulative, and the exercise of any remedy shall not preclude the exercise of any other.

- 6.9 **Third Party Beneficiaries.** Notwithstanding anything to the contrary in the Service Contract or this Agreement, Individuals who are the subject of PHI shall be third party beneficiaries to this Agreement. Subject to the foregoing, nothing in this Agreement shall confer upon any person other than the Parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.
- 6.10 **Interpretation.** This Agreement shall be interpreted in a manner consistent with the Parties' intent to comply with HIPAA, Part 2, and other Law. Any ambiguity of this Agreement shall be resolved in favor of a meaning that permits the Parties to comply with HIPAA, Part 2, and other Law. In the event of an inconsistency between the provisions of this Agreement and mandatory provisions of HIPAA, HIPAA shall control. In the event of any inconsistency between this Agreement and the Service Contract or any other agreement between the Parties, the terms of this Agreement shall control. Nothing in this Agreement shall be construed as a waiver of any legal privilege or protection, including for trade secrets or confidential commercial information.

Such person or organization is an additional insured but only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" arising out of:

- a. your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your ongoing operations for the Additional Insured that are subject of the written contract or written agreement provided that the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" is committed, subsequent to the signing of such written contract or written agreement; or
- b. the maintenance, operation or use by you of equipment rented or leased to you by such person or organization; or

With respect to paragraph 1.a. above, a person's or organization's status as an additional insured under this Endorsement ends when:

- (1) all work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed for or on behalf of the Additional Insured(s) at the location of the covered operations has been completed; or
- (2) that portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

With respect to paragraph 1.b. above, this insurance does not apply to any "occurrence" which takes place after the equipment rental or lease agreement has expired or you have returned such equipment to the lessor.

The insurance provided by this Endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage."

We have no duty to defend an additional insured under this Endorsement until we receive written notice of a "suit" by the Additional Insured as required in paragraph b. of Condition 2. **Duties in the Event of Occurrence, Offense, Claim or Suit** under **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITION**.

2. With respect to the insurance provided by this Endorsement, the following are added to paragraph 2. **Exclusions** under **SECTION I - COVERAGE A - Bodily Injury and Property Damage Liability**:

- a. "Bodily injury" or "property damage" that occurs prior to your commencing operations at the location where such "bodily injury" or "property damage" occurs.

- c. "Bodily injury" or "property damage" occurring after:
 - (1) all work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed for or on behalf of the Additional Insured(s) at the location of the covered operations has been completed; or
 - (2) that portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

- d. Any person or organization specifically designated as an additional insured for ongoing operations by a separate additional insured endorsement issued by us and made part of this Policy.
