Bremerton Substance Abuse Prevention Coalition

Thursday 4/9/20

Announcements:

- Recommendations have been made to share with all; it is beneficial for staff to be as 'visible' as possible. Stay connected with volunteers, other staff members/volunteers/partners etc., link with others that share your goals and see what they are doing that works during COVID, check in; just see how folks are doing, offer help and support. As we all identified, this period of pandemic, has many ramifications and impacts not just our work and environments but can be a catalyst to additional complications such as mental/emotional health, financial and far more. Together we work continue to work to support and encourage others.
- During Shelter in Place, many partner agencies and organizations are still providing services.
- The Coalition will continue to seek to secure meeting solutions to meet the needs of the community and our member/participants especially in the face of this challenging time.
- The Coalition, as always but more so now, will be used as a mechanism to share information and find ways to maximize educational opportunities and keep folks up to date.

PARTNER HIGHLIGHTS:

- Services throughout the community are running on limited hours, web-based platforms and other creative ways to keep connections.
- Challenges with things like HIPPA and safety and security have cause suspension of some support groups i.e. Domestic Violence
- The Coalition was able to partner with several individuals and groups to help meet the need/demand of masks via volunteering to make them. Distribution of this completed masks were carried as part of a quick response to our partners and community. Thank you to all who were able to participate!
- Regular updates on services will be shared with the coalition and via county web pages. These announcements will include but not be limited to food programs, COVID updates, virtual and other web-based training and education opportunities, news for major events and activities, and evidence-based programs that are being modified for electronic delivery and participation.
- SAP is continuing to work to meet the needs of prevention club youth. This has required adjustments due to release forms etc. to contact, bridging gaps in preparation for extended school closure and community/family impacts that may have or may have already occurred.
- Coalition Leadership continues to work with staff to prepare the 2020-2021 Strategic Plan and creatively find solutions to continue their work at their jobs while supporting the coalition. Great job guys! You are greatly appreciated and your efforts do not go unnoticed.
- YMPEP is working on policy and systems work and continues to work on ways to address marijuana home delivery and youth advertising issues. Additionally, thanks to Kitsap Public Health through YMPEP to help make this Zoom meeting possible.

Bremerton Substance Abuse Prevention Coalition

Monday 6/11/2020

ANNOUNCEMENT:

- Freedom 13 is on pause for in person presentations but is available to participate in web-based conferences and training presentation opportunities.
- We are looking for participants for the next year's School Policy workgroup. Meetings will be approx. 30 minutes on average of 1x per quarter. Reach out to Deanne Jackson if you or someone you know is interested.
- The Coalition will continue to seek to secure meeting solutions to meet the needs of the community and our member/participants especially in the face of this challenging time.
- Coffee Oasis is meeting with kids again and some locations are opening for dine in services.
- New training opportunities are being made available for community and coalition participation. Those interested in participating in state supported conferences in 2020-2021 fiscal year, there may be funding available.
- Many of the rules with LCB have been changes with COVID19 restrictions. Legislation is trying to make these permanent. Letter has gone out for the voice of prevention and it has been noted that this is an important opportunity for prevention to get involved.

PARTNER HIGHLIGHTS:

- Services throughout the community are running on limited hours, web-based platforms and other creative ways to keep connections. Face to face services are beginning to open up with restrictions and safety measures in place.
- Prevention Club youth are meeting virtually. Most youth are staying connected with the Student Assistance Professional.
- Positive Action Family is available online at no cost. This program follows the model of the Positive Action Program that we fund through the Boys and Girls Club.
- Regular updates on services continue to be shared with the coalition and via county web pages. These announcements will include but not be limited to food programs, COVID updates, virtual and other web-based training and education opportunities, news for major events and activities, and evidence-based programs that are being modified for electronic delivery and participation.
- Marijuana delivery services continue to be an issue of concern. Efforts are being made to help educate the community that this is an illegal action in order to protect potential drivers, youth access and to be educated about which retailers are supporting this service.
- Zoom platform has been offered to help support our monthly meetings even after the COVID19 restrictions are lifted.
- SBHO budget approved. RFPs are out.
- CCY RFP applications accepted; funding has been approved for West Sound Baby Corner, Coffee Oasis and the YWCA.
- YMPEP/Public Health expects funding cuts but is working hard to provide the best services possible including in prevention.

Bremerton Substance Abuse Prevention Coalition

Monday 7/9/2020

Announcement

- Several of our Coalition members and partners have communicated they have contacted LCB re. MJ delivery services in an effort to address policy, practice and enforcement for the safety and protection of our youth and community.
- State advocacy is in motion to address the current allowances of MJ delivery during COVID as to keep them from becoming permanent.
- The Coalition will continue to seek to secure meeting solutions to meet the needs of the community and our member/participants especially in the face of this challenging time.
- YWCA is holding a 21 Day Racial Equity and Social Injustice Challenge, including a couple of Lunch and Learn opportunities to share with other participants.
- YWCA has an upcoming 30 – hr. Core DV training in August. For more information contact the YWCA.
- Leadership recruitment is underway. All members have been asked to consider supporting the coalition in identifying and/or participating.

PARTNER HIGHLIGHTS:

- Services throughout the community are continuing to be available on limited hours, web-based platforms and other creative ways to keep connections. All are practicing safety practices and will move forward as restrictions allow.
- Continued efforts to maintain youth engagement are being upheld. This will continue through the summer as options are available.
- Coalition Strategic Plan and Budget have been fully approved. There has been some conversation at the state that we may see additional dollars for prevention, but details and amount are not yet confirmed.
- Regular updates on services continue to be shared with the coalition and via county web pages. These announcements will include but not be limited to food programs, COVID updates, virtual and other web-based training and education opportunities, news for major events and activities, and evidence-based programs that are being modified for electronic delivery and participation.
- Zoom platform will continue to be utilized to help support our monthly meetings even after the COVID19 restrictions are lifted. We are hoping to have a face to face option in August but details at this time are not confirmed. This and other meeting information will be sent out in accordance with upcoming COVID restrictions etc. as we become aware.
- Coalition leadership, members and staff will be working to identify youth clubs and organizations associated with the schools and the community in general to move forward in our youth engagement efforts for prevention.
- The Coalition has expressed interest in supporting/participating in World Suicide Prevention Day event/activity, Sept. 10. Updates will be announced as we know more about what we can do to support these efforts.

EVENTS: *activities associated with these events/activities are subject to change due to COVID19 restrictions*

- Call for 2020/2022 coalition leadership nominees. 1 has volunteered so far for Chair position, voting at November meeting. Still need Vice Chair nominee(s) and additional Chair nominees welcomed. All members have been asked to consider supporting the coalition in identifying and/or participating.
- The Coalition has been informed that we will be receiving additional funding for program implementation. The amount has not been confirmed but the Coalition has discussed the value of the NFP Program as a good candidate to add additional funding.
- Training opportunities; CADCA virtual Forum in Feb and annual Washington State Prevention Summit (also virtual) Nov. 3-4. Scholarships are available!
- We are collecting feedback from Coalition for training topics of need and interest to include in our upcoming in meeting and public/community outreach trainings.
- Coalition Surveys out next month.
- Community Survey implantation is underway. Deadline is Dec. 15.

PARTNER HIGHLIGHTS:

- Services throughout the community are continuing to be available on limited hours, web-based platforms and other creative ways to keep connections. All are practicing safety practices and will move forward as restrictions allow. We will continue in a day by day basis. As soon as we are able to offer a face to face option announcements will be made, but virtual will offered as well.
- PCHS pharmacy has gotten all of the 'Starts with One' med bags out and there has had conversations of help and referral associated with this and other opioid response efforts.
- Target Zero is working on new safety videos as part of their current safety efforts.
- Regular updates on services continue to be shared with the coalition and via county web pages. These announcements will include but not be limited to food programs, COVID updates, virtual and other web-based training and education opportunities, news for major events and activities, and evidence-based programs that are being modified for electronic delivery and participation.
