Wages Not Keeping Pace with Housing Costs

The average wage earned by Kitsap renters is \$11.94, which is not enough to afford even a zero bedroom home. For minimum wage earners the gap is even wider – at minimum wage (\$11.00 in 2017) a household had to work 73 hours a week to afford a two-bedroom unit. To pay no more than 30% of their income on housing for a two-bedroom apartment, the housing wage is \$19.98.
